NYSSA LUMBER COMPANY

YOU PAY THE BILLS

The Simplest, Easiest Way to Pay the Least Possible Tax BEFORE YOU VOTE, OCTOBER 7

PROPERTY OWNERS SHOULD KNOW THAT...

1. Your property taxes will be reduced about 22% if the Sales Tax measure is adopted. (One-half the Sales Tax revenue MUST be used for that purpose.)
2. Income tax revenue shrinks as much as 90% during depressions, and the tax load falls back on property. The Sales Tax insures property owners against such disaster.
3. Tourists will contribute \$2,000,000 annually to our treasury if the Sales Tax is adopted. Otherwise, YOU will help pay this amount.

INCOME TAXPAYERS SHOULD KNOW THAT...

4. Your income taxes are automatically lowered if the Sales Tax is adopted. This law is already on the statute books.
5. Your income taxes are automatically increased if the Sales Tax is rejected. A more severe schedule reaches down into low income brackets now exempt. This law is already on the statute books. It applies to this year's—1947—income taxes.

FARMERS SHOULD KNOW THAT...

6. Farmers will benefit most of all from the Sales Tax, since almost 90% of Oregon farmers own their own farms, and thus head the list of the state's property taxpayers.
7. Every school district in Oregon will be aided by the Sales Tax. One-sixth of the Sales Tax revenues go direct to school districts, which enables each district to vote special levies in like amount without increasing the present property tax.
8. The Sales Tax Guarantees old age assistance, by making up whatever is lacking from declining liquor revenues. One-sixth of Sales Tax revenues is earmarked for that purpose.
