OUR BEST WISHES TO YOU 1948

It may be a good thing, as some maintain, to stop and take stock at the end of the year, to review, to analyze, and to resolve greater accomplishments in the New Year.

With 1948 immediately ahead of us, let us remember only the best, forget the worst, and look confidently ahead. May this year hold for you more blessings than any that has gone before.

NEW HOPE • BEST WISHES

Time, the one monarch to whom the whole world pays obeisance, poises his scythe to sweep back another year into history's pages.

Few tears mark the death of the old year, but there is gladness at the advent of a new era, which man feels is to prove better and more fruitful than the old one.

May new faith and new courage be your lot in 1948.
