It's a man's life!

Do you know whether you've got what it takes when the chips are down?

There's one good way to find out just how much of a man you are. Enlist in the U. S. Army as a combat soldier. That's tops. That's the spearhead—the sharp cutting edge of the Army's manpower.

The world's best training for manhood is in the Infantry, Artillery and Armored Cavalry. Once you've made the grade in those hard-hitting services you'll know what you've got. You'll have firm confidence in your own abilities.

It's a proud feeling to be able to say "I'm a U. S. Army Soldier." There's no more honored title than that. It stands for the finest fighting man on earth.

The work of a combat soldier isn't easy or soft. But it's vitally important to the peace and security of America. There's satisfaction in it. There's good pay—better than in most civilian jobs. There's the opportunity for excellent training in a wide variety of valuable trades and skills. And there are other things money can't buy—such as rugged, clear-eyed health and the lasting comradeship of real men.

If you're 18 to 34 years old (17 with parents' consent), physically sound and mentally keen—if you'd like to prove to yourself that you measure up as a man—talk it over at your nearest U. S. Army and U. S. Air Force Recruiting Station today!
