CHARLES KEPLINGER CANDIDATE FOR REPUBLICAN NOMINATION AS COUNTY COMMISSIONER TO THE VOTERS OF THE REPUBLICAN PARTY OF MALHEUR COUNTY, OREGON: Please note that I have lived over 29 years in this county of Malheur, State of Oregon; that I have helped to build its roads and canals throughout the years since I came. I am a farmer, and I am also the owner of the Pioneer Sand and Gravel company, and I am very much interested in good roads in the county for all of us. I believe the county ought to be divided into road districts, with a supervisor over each district. I believe the Farmers have enough equipment, save and except dumps, to build and gravel the county roads. They have manure loaders, carry-alls and trucks; all they lack is the dumps. Let them earn their own tax money by saving through our co-operation. This can be done, without too great expense. Yours Respectfully, CHARLES KEPLINGER Paid political adv. by Chas. Keplinger, Vale, Ore.
