**HOW MUCH "FAMILY LEGAL LIABILITY" PROTECTION WILL \$10 BUY? \$**

A good sample of today's insurance values is the protection \$10 will buy for your family against lawsuits. If your boy hurts a playmate—if your dog bites somebody—if a visitor, tradesman or employee gets hurt on your premises—if you hit somebody with a golf ball—what's the verdict? \$

One of these accidents might ruin you financially—yet \$10 a year will give you (in most cases) up to \$10,000 protection, and will allow up to \$250 for medical payments (except to your family) even if there is no legal liability.
