To The Republican Voters Of Malheur County

I hereby announce my candidacy for the office of Sheriff of Malheur County. I am 37 years old, married, and have four children. I came to Oregon from California in 1933. After receiving further training in California, I returned to Oregon in 1944. I live on my own farm near Vale, on which I am engaged in general farming at the present time. I feel that I am well qualified for this office. I have had seven years experience as Deputy Sheriff of Los Angeles County, California. I have had one year experience as Federal Guard, and was attached with the Naval Intelligence during the last war. I also took a graduate course in the Technical Institute for Peace Officers at the University of California, Los Angeles, given by F. B. I. instructors.

I believe that my educational background and practical experience qualify me for the exacting duties of this office, and if I am nominated and elected, I will administer the affairs of the office promptly and efficiently, rendering courteous and impartial service to everyone having contact with the office. I cordially invite investigation of my past record, and any inquiry you may desire as to my ability. Your vote in the May Primaries, and again in the general election, will be very greatly appreciated.

John C. Elfering
