GARDEN WEDDING HELD

At a prettily-appointed garden wedding at the home of Mr. and Mrs. Desmond L. Jones, Miss Dorothy Farr, daughter of Mr. and Mrs. Earl G. Farr of Nyssa and Max G. Jones, son of Mr. and Mrs. LeRoy Jones of Lewiston, Idaho, were united in marriage with a double ring ceremony at 6:30 p.m., June 6, with Bishop Arvel L. Child officiating.

The bride chose a white dotted nylon gown with lace yoke, all-over white satin, with a finger-tip veil, held in place with a beaded, coronet head dress and wearing pearls. She held a pink and white bride's bouquet. Mr. Jones chose a medium tan suit, with matching accessories. The bride's sister, Mrs. Kenneth Chard, was matron of honor, and the groom's brother, Desmond L. Jones was best man. Miss June Savage sang two solos, "Because" and "Always," accompanied on the piano by Miss Mary Lou Schenk. Mrs. Desmond Jones and Mrs. Lloyd Wilson served punch and the three-tier white wedding cake,

which was trimmed with pink rosebuds, blue candy rope and a miniature bride and groom. The table was covered with a lace cloth with white candles at each end. Mrs. Wayne Morris was in charge of the gifts. Out-of-town guests included Mr. and Mrs. Otis Equire of Boise. Miss Farr, graduated from the Nyssa high school in 1943, has been employed by the Nyssa branch of the National Bank of Portland for the past four years. NEWS VIEWS

BY LEW HERRIMAN

I see where Italy is planning to harness some of its volcanoes to produce electrical power. Like the fellow who tried to open a safe with a wet toothpick, this seems to be doing things the hard way. Somebody once said, "When in Rome, use Roman candles." But the saying went out with the candle. Anyway, there's a definite power shortage in the land of the Caesars, and the Italians are trying to make light of it with an assist from the local fire-spout. Under this system, when a fuse blows out the house will probably go with it — and radios are apt to feature the song, "Lava, Come Back to Me!" Speaking of power — the 100HP V8 and the 92HP 6 cylinder motors in our new 1948 Ford are packed with it. Come in and see "THE CAR OF THE YEAR," on our show room floor now.

The 21st of June is supposed to be the longest day in the year, but it would be tough trying to convince a child of that one on the 24th of December. We're not plugging Christmas in June! We just want you to know that in any season you'll get a friendly welcome at the HERRIMAN MOTOR COMPANY. Many of our customers tell us they like to bring their car repairs and service to us because we're always so friendly, and we do top quality work. Find out what really courteous, efficient service is. Come in any time. Phone: 77. Gene Fisher, our Service Manager, will be glad to help you!

Ice cream and cake were served by Mrs. Robbins on the lawn of the Robbins home.
