TOOMB GIRL WEDS

Miss Betty Jean Toomb and James E. Phifer exchanged nuptial vows in a candlelight service at the Adrian United Presbyterian church Thursday evening, June 17, at 8:30. The Rev. H. E. Moore officiated at the double ring ceremony, which was witnessed by 225 relatives and friends of the couple.

The church was decorated with

baskets of summer flowers and white candles. Baskets of flowers also provided the background for the ceremony.

The bride, who was given in marriage by her father, William B. Toomb, wore a gown of cream colored satin, with tight-fitting bodice and full skirt, which fell into a long train. Her full length veil was caught at the crown with a coronet of lilies of the valley. The bride carried a white Boule with a shower bouquet of pink and white carnations with white streamers.

of sweetpeas. Mrs. Gene Davis, who attended the bride as matron of honor, wore a gown of pale blue. The bridesmaids were Miss Elsie Crocker, who was gowned in pink, and Miss Ardyce Hurst, who was gowned in aqua. All had corsages of pink and white carnations.

Floyd Phifer served as best man for his brother, and Wayne Piercy and Gene Davis ushered.

Preceding the ceremony Mrs. Frank Pike sang, "I Love You Truly" and "Because", accompanied by Miss Adrienne Peterson, who also played the wedding marches.

The members of the wedding party were guests at a reception held on the lawn of the H. E. Moore home. The refreshment table was centered with a three-tiered wedding cake decorated with a miniature bride and groom. Mrs. Vincent Scott, sister of the bride, cut and served the wedding cake. Classmates of the bride who assisted with the serving were Miss Joan Webb, Miss Selma Stam, Miss Dolores Blanche and Miss Joyce Stoker.

The bride is a graduate of Adrian high school with the class of 1948. The groom, who served three years with the army air force, is employed by the Thompson Oil company in Nyssa.

After a short wedding trip to Payette lakes, the couple will be at home in their new residence in Kingman Colony.

RECEPTION HONORS GIRL
A wedding reception in honor of Helen Anderson, daughter of Mrs. Ruth Anderson and the late O. R. Anderson and Arthur L. Harker,

Mr. and Mrs. Max Jones were principals in a June wedding held in Nyssa the first part of the month. They are shown following their marriage in the Desmond Jones garden where the ceremony was performed by Bishop Arvel L. Child of the L.D.S. church. (Photo by Evans).

Jr., son of Mr. and Mrs. Arthur L. Harker of Schelly, who were married June 8 in the L.D.S. temple at Idaho falls, spoke and showed colored slides of the islands. He also entertained with songs. The next meeting will be held at the home of Mrs. Jack Schenk.

club at its regular bi-monthly meeting at her home Friday evening. Leon Child, who fulfilled a mission in the Hawaiian islands, spoke and showed colored slides of the islands. He also entertained with songs. The next meeting will be held at the home of Mrs. Jack Schenk.

NEWS VIEWS

BY LEW HERRIMAN

Here's news that's right off the assembly line... news for which you've been anxiously waiting! That 1948 Ford is HERE! Yes sir... right here in town, you can see the results of an expenditure of \$37,000.00 by the Ford Motor Company! A long, low silhouette styling marks a radical departure from the Ford you've previously known! New standards of beauty will have those of you who remember the Model-T wondering if this 1948 glamour-car is truly a Ford! As Ford Dealers, we're proud to put this snappy-looking automobile on exhibition for you, because it's the FIRST car in its price class to come out with the "new look!"

Many new features in the mechanical line have also been incorporated... features that'll have you rushing in to place YOUR order for the model you like! The front and rear seats have been widened and the body moved forward. Result? The seats are "cradled" between the axles, giving you an extra-smooth ride. And as Al Jolson says, "You ain't seen NOTHING yet!"

Larger windshield and windows give you better vision, a sort of Picture-Window effect. And then there's the new hydramatic spring system, doing away with the old transverse springs... talk about easy riding! The power plants of both the 95 HP six and the 100 HP V-8 are set in rubber mounts, cutting down vibration and motor noise! For sure, when we say "Ford's Cut Front," we mean it like we've never meant it before! You'll tip your hat in admiration to the Ford Designers who've given you a low-priced car with million-dollar quality! See it today at HERRIMAN MOTOR COMPANY.

NOTICE OF BOND SALE

NOTICE IS HEREBY GIVEN that sealed bids will be received by the undersigned until the hour of 8:30 o'clock p.m. on the 12th day of July, 1948, and immediately thereafter publicly opened by the School Board of District No. 61, Malheur County, Oregon, at the School House, in Adrian, Oregon, for an issue of bonds of said School District in the amount of Sixty-four Thousand Dollars (\$64,000.00), said bonds to be dated July 12, 1948, and to mature serially in numerical order as follows:

\$4,000.00 on January 12, 1950	\$4,000.00 on January 12, 1958
\$4,000.00 on January 12, 1951	\$4,000.00 on January 12, 1959
\$4,000.00 on January 12, 1952	\$4,000.00 on January 12, 1960
\$4,000.00 on January 12, 1953	\$4,000.00 on January 12, 1961
\$4,000.00 on January 12, 1954	\$4,000.00 on January 12, 1962
\$4,000.00 on January 12, 1955	\$4,000.00 on January 12, 1963
\$4,000.00 on January 12, 1956	\$4,000.00 on January 12, 1964
\$4,000.00 on January 12, 1957	\$4,000.00 on January 12, 1965

Bonds maturing on and after January 12, 1954, will be subject to redemption in numerical order on any interest payment date on or after said date, to-wit: January 12, 1954.

Said bonds to bear interest at the rate of not to exceed 6% per annum payable semi-annually, principal and interest payable at the office of the County Treasurer of Malheur County, Oregon, or at the fiscal agency of the State of Oregon in New York City, at the option of the purchaser.

Said bonds were duly authorized at an election held on March 27, 1948.

Bids must be accompanied by a certified check in the amount of One Thousand Five Hundred Dollars (\$1,500.00).

The Board reserves the right to reject any and all bids.

Grow A Greater Volume of Produce With Liquid Fertilizer

Apply in your irrigation water, no dust, no dirt, no odor, no equipment necessary, side dress without disturbing the root system.

Use one-fourth the amount of fertilizer in solution as were previously obtained with dry fertilizer.

From the standpoint of uniformity of distribution on the soil, and subsequent diffusion in the soil, use of fertilizer solutions is far superior to the application of dry fertilizer.

Be sure to specify California liquid fertilizer, the product used in this vicinity last season.
