NYSSA RODEO SUCCESSFUL

The 1947 rodeo staged by the Owyhee Riding club was so successful that this year's event is expected to be even more successful.

The efficiency of the club in conducting last year's show indicated the possibilities of such a show as an annual event for Nyssa and attracted the attention of Nyssa business people who are assisting in the show this year in providing advertising and giving money on a greater scale.

The co-operation of the farmers and city folks again demonstrates what can be accomplished through mutual assistance. The co-operation in another circumstance in a long list of accomplishments that have always been successful when Nyssa residents and their farmer-neighbors have worked together. Every event in which Nyssa farmers and townspeople have worked together in the last few years has been successful. That is an outstanding record that we hope will be duplicated many times in the future.

The Tuckerettes are shown above in one of the acrobatic stunts that they will present at the Nyssa night rodeo July 23 and 24.

were interesting and stated that the speakers at the assemblies were good. In addition to the work periods, recreation was provided in the afternoons and evenings.

Bernard Frost reported on the meeting of the associated Chambers of Commerce of Southwestern Idaho and Eastern Oregon in Payette Monday night.

In response to a request filed several weeks ago by the chamber, Thomas Jones, Union Pacific railroad agent at Nyssa, stated that train No. 18 will start making regular stops instead of flag stops here in the late summer or fall when the new time table is printed.
