**2 MINUTES**

**THAT MAY CHANGE YOUR WHOLE LIFE**

It takes just two minutes to read this ad and what you decide as a result of it may change your own life and that of your children for years to come. The point is simply this: Those whom we elect in this election may well decide most of the vital issues which will affect you directly—peace or war, prosperity or depression, moderate prices or high ones, progress or stagnation. These are the reasons why it is more important than ever before that we VOTE FOR THE BEST MAN in every office, large or small.

HERE IS A CHALLENGE FOR YOU. Make a real study of all candidates offering themselves for public office in this election. Forget for a moment your own party affiliation and that of the candidate you are investigating. Think only "Is this man, is this woman, the candidate best suited by personal background, ability and record in public and private life for this particular office?" Do this honestly and we are sure that you, too, will vote Republican. Remember, vote for the best man, may the best man win!

BELTON State Treasurer; GEORGE NEUNER Attorney-General
