TRIBUTE PAID TO HOSPITAL WORKERS

(Continued from Page 1)

achievements. May those who pioneered this valley and toiled through privation and hardship to make the barren desert blossom as the rose see in the completion of this project one of their dreams come true. Yes, too late to bring relief and assistance to many of them; too late to relieve the mother of her hours of anxiety and concern over loved ones; too late to provide the doctor with the tools and convenience he so much needed to give the most efficient service to them, but I am confident in my own mind they are happy in the thought 'we are doing it for others, their posterity and our's and I am satisfied if we could see and hear them we would see them arise as one and call us blessed".

Band Opens Program

Before a large crowd of donors and other friends of the hospital association, the Nyssa high school band directed by Lynn Lawrence, opened the program with two numbers, including the "Star Spangled Banner." After Rev. George Whipple gave the invocation,Glea Billings, master of ceremonies, stated that "This ceremony marks a milestone in the realization of a dream we have had for many years. It is with a feeling of pride that we have assembled on this occasion."

Dr. Sarazin, who has practiced medicine in the Nyssa section since 1904, said completion of the hospital is "something I know everyone has in his heart. Some of you older ones know what anxiety we had to go through when we had no hospitalization short of Boise. Many died for lack of hospitalization. This community has been growing so rapidly it is hard to realize how badly we need a hospital. When I came here the country was a barren waste. I did not intend to stay here, but I did We had only one or two bridges here and we sometimes had to swim the rivers to reach our patients. The same basic principle remains—that we must take care of our people when they are sick.

"This hospital is not finished; we must keep on with the same spirit of energy and co-operation that we have shown in the past."

George Shiffer of the state board of health said "We are keenly interested in hospitals all over the state. We rejoice with you today and congratulate the people of this community. I think you will feel any sacrifice you have made will be worthwhile."

Judge Don M. Graham, representing the veterans of the community, declared that "I could talk to you for hours about patriotism and Americanism, but knowing you friends as I do over a period of 41 years, there is no need to talk to you about patriotism and Americanism, for the very tangible evidence of your patriotism and Americanism is shown in many ways throughout this wonderfully-growing community.

"The things we all enjoy today didn't just happen; they were made possible by people who gave of their time and particular ability and a lot of real hard work, but greatest of all co-operation of those who saw the possibility of a bigger and better city and community here in Nyssa.

"On behalf of the almose 600 veterans of the Nyssa community, I want to thank you, the workers, the donors and the friends who have made this worthwhile memorial to our departed comrades and loved ones possible and I am sure that in looking down from heaven as I believe they do I can hear them say, 'Well done Nyssa community, we know we are not forgotten'".

Morgan's Memory Honored

In presenting a posthumas award of merit to Frank T. Morgan, Jr. in memory of his father, Judge Graham stated that "Last January the members of the Veterans of Foreign Wars of the United States of America looked around this community in an attempt to select and honor the person whom we considered had been outstanding in the community, not only as a civic, commercial or fraternal leader, but as a citizen who loved his community, worked for its advancement with the fixed ideal 'I want to leave this community when I am called to do so, a better and more lovely place than I found it'.

"Yes friends, the veterans found such a person and had intended to bestow this, the highest honor that the veterans can bestow upon a citizen, to Frank T. Morgan during the dedication of the veterans hall here in Nyssa, but on August 20, 1948 God saw fit to take him to His home on high, leaving a bewildered and sorrowful community behind him."

Accepting the award of merit, Frank Morgan, Jr. said "I accept the award with the full realization of where it was itended to go."

Mr. Billings then announced that "In view of the admiration that we all hold for the memory of Frank T. Morgan, it is appropriate that his son lay this cornerstone."

With the assistance of members of the board of directors, Contractor Leslie W. Stoker and workmen, Mr. Morgan laid the cornerstone on the east side of the building near where the front entrance will be located.

Following the ceremony, Rev. Roland Wuest gave the benediction.

The Armistice day observance was opened with a parade staged by the veterans and Nyssa high school band. The paraders started the march at First and Main and stopped at the "Y" on the west end of Main street at 11 o'clock for a moment of silence in memory of the world war dead. They then marched to the hospital site for the Armistice and hospital ceremonies.

Give something NEW— and USEFUL

BOSTITCH B-8 Stapler

THE GIFT OF A HUNDRED USES

Three Machines in One

- *A Hand Stapler*
- *A Desk Fastener*
