HUGH

CLARENCE

We take this opportunity to thank you for the fine business we have enjoyed the past two years. No community or business is ever better than the people who go to make it up, and your cooperation can either make or break any man who attempts to do any form of business. We have found each of you to be builders rather than destroyers, and the growth of your community and our community with you has demonstrated that your efforts have not been in vain.

We sincerely hope that you continue to help us build a business that will be a credit to all of us. We are going to do our dead level best to give you the best service that our line will permit and with your continued patronage we will become a place that you will be glad to call "Our Store."

We wish you a Happy and prosperous New Year filled with a realization of your fondest hopes, each day carrying more happiness than the one before it.

Sincerely Yours  
Hugh J. Tobler
