So they shall know good music of all nations

Casey Jones, Paul Bunyan, Pecos Bill, Johnny Appleseed... all the legendary heroes of America are this year coming to life for children in 2,663 schools through the music of the Standard School Broadcast.

Each week, this program plays and explains good music for an estimated 400,000 classroom listeners. Title of the current course is "American Music and Folklore"... but over the years, music of all nations has been studied and enjoyed. Manuals and other materials are supplied for the use of teachers.

This is the twenty-first year of Standard School Broadcasts. It is our sincere hope that we have helped children in the West know and appreciate the music of the world and understand better its people.
