## PATRONS DISCUSS SCHOOL CHANGES

APPLE VALLEY, June 23—A meeting was held at the church to discuss the reorganization of the schools. The meeting was opened

by Bob Johnson of Parma. Mr. Johnson introduced the speaker of the evening, John Dilly a member of the "grass roots" committee. Mr. Dilly's assistant in answering questions was Elmer Peterson. Mr. Dilly said there was to be one board member for each trustee

The Lane trio, pictured above, the Nyssa rodeo, to be held July 21, 22 and 23.

district and five trustee districts in all. The high school would be located in Parma with Apple Valley, Parma and Ten Davis pupils attending. If the school districts reorganize the school cannot be taken away from them without the permission of the people. It not organized, the state can take charge and place the children in any school it chooses. The class C school will have the dormitory system. All class A schools have five board members; the class C schools have three members. Mr. and Mrs. C. A. Rodgers of Roswell and Mr. and Mrs. Ralph

Rodgers of Nampa were guests for dinner at the home of Mr. and Mrs. Earl Boston.

Mr. and Mrs. Marton Cox, brother of Mrs. J. D. Gooing, were Sunday evening guests at the Gooing home.

Mrs. Conley Wilson and son took Mr. and Mrs. Cedric Caldwell and Mr. and Mrs. Lloyd Caldwell to a picnic in Caldwell. The picnic was to have been held in the park, but due to the rain it was held at the Hugh Oliver home. Those from other towns were from Vale, Lake Lowell and Sunny Slope. Those present were all originally from Oklahoma.

Mr. and Mrs. Guy Tanner of Nyssa were Saturday evening guests of Mr. and Mrs. Garold Horn.

Mr. and Mrs. Don Erby and daughter, Donaline, and Bert Stone of Parma were Monday guests at Mr. and Mrs. Piltcher's home.

A father's day dinner was held at the Dr. Kellogg home Sunday Mr. and Mrs. R. H. Seward were guests of honor. Others present were Mr. and Mrs. Wesley Seward, Mrs. Bernice Gibson, Neoma Cook of Nampa, Helen Barker and Jean and Jeneve Gratsueit of Nyssa

| Principal office in Oregon  | 1108 WILCOX BUILDING PORTLAND 4, OREGON |

The total dockage will be approximately 440 feet long and 18 inches high. Nyssa boatmen will go to Emmett to participate in the regatta to be conducted there June 12. Nyssa inboard owners will give a drill and probably 10 Nyssa men will enter the races.

## DOCTORS PLAN TO MEET IN ONTARIO

The Eastern Oregon District Medical society will hold its annual meeting in Ontario June 24 and 25, according to an announcement by Dr. K. E. Kerby of Nyssa, president of the society.

Dr. Kerby said that the two-day scientific session, will feature papers by 12 Portland specialists and will cover a wide range in the field of medicine.

At the annual banquet scheduled for the evening of June 24, at the Payette County club, Dr. James E. Buckley, Portland, president-elect of the Oregon State Medical society, will be the guest speaker. Dr. Buckley's title will be "The Physician as a Citizen".

The scientific sessions will be held at the Holy Rosary hospital, with daily luncheons at the Moore Hotel.

## CERTIFIED SEED DEADLINE IS SET

Certified seed growers have a deadline of July 1 to meet on applications for field inspections, according to Leeds Bailey, county extension agent. Certification regulations for ladino clover, red clover, and other crops require that a field inspection be made each year that the crop is to be certified.

Bailey also pointed out that seedling inspections are necessary on new seedings of alfalfa and red clover if future seed crops are to be eligible for certification. Certification regulations are available at the county agent's office, the extension agent added.

## Visit In Nyssa—

Guests last week-end at the home of Mr. and Mrs. Grant Lewis, were Mrs. Lewis' mother, Mrs. P. E. Haynes, and her sister, Mrs. L. E. Plummer of Twin Falls.

**"I Sold My Team and Bought 2 Cows"**

**... and Made an Extra \$300 Last Year!"**

I was glancing through the mail yesterday when a fellow comes in who bought a Farmall Cub tractor last spring. I says, "Sit down and make yourself at home."

"You know," he begins, lighting his pipe, "I always used to think I couldn't farm without a team. Well, I sold my team and bought two cows—and made \$300 extra since I bought that Farmall Cub last year!"

"How'd you get along with your field work?"

"Got the best crops I ever had. Had time to make a little over \$100 doing some work for the neighbors. Those matched, quick-change implements, with fingertip Farmall Touch-Control sure save a lot of time and hard work."

"How does your family like the Farmall Cub?"

"Well, we have more fun together, and live better, too. Like the kids say, even working's fun with a Farmall Cub!"

"Had any trouble with it yet?"

"No. Hasn't cost me a cent, except for a little gas and oil."

"Well, don't forget—when you do need parts or service, I'm always here to help."

**How 'safety-circle' driving cuts down accidents**

"Know your safety-circle!" is an important lesson taught Standard of California drivers... and perhaps it can be helpful to you.

Your safety-circle is the distance you need to meet an emergency situation—a car stopping suddenly ahead, for example. Our drivers get a special test which tells them exactly how fast they react, but in general, it takes the average person a full second to see a hazard, think what to do and act. So, driving on a clear road, at 30 miles an hour, you should stay at least 7 car lengths behind the car ahead; when you drive 45 miles an hour, stay behind 13 car lengths.

More than 5,000 Standard drivers have studied this and many other safety principles in our Driver Training Program, besides passing thorough visual examinations. Last year, they drove 41 million miles with an accident rate 60% lower than the national trucking fleet average.
