It's always a "Breeze" to a Roadmaster!

SHUCK off that coat, good sir—and loosen that tie. Call to mind the coolest, pleasantest spot within a couple of hundred miles—and let's go find comfort. Here's the big broad seat that will carry you there in sofa-like ease. At your toe is the treadle that brings to life 150 eager Fireball horsepower. In your hand is a wheel, neat and tidy, friendly and obedient. And under it the Dynaflo lever that's key to a whole new experience. Set it once—and you can forget it. Until you park or back up, you won't need to touch it again. Find a comfortable spot for your clutch-foot too—that's just going along for the ride—and smoothly feed gas. No jar, no jerk, no sudden lurch. Just one smooth crescendo of power, soft and silky and forever free of direct-gear harshness! Traffic slides by, no longer a headache. Open roads spread their welcome, tall hills bow meekly to the

power at your command. Cares fall away with the dust-clouds of your going, and you've forgotten the world and the weather. You know now why scores of thousands wouldn't be without the sweet luxury of Dynaflo Drive—or the velvet power of ROADMASTER. You know why the Buick ride sets the standard for the industry—above all, why Buick's the buy. For it isn't just what the price tags say nor what a demonstration shows that makes Buick such a satisfying investment. It's in the way a car grows on you when it's planned to please in many ways, and not just through a single feature. In such a car, any trip's "a breeze." How about breezing around to your Buick dealer to see how quickly you can get a ROADMASTER?

BUICK alone has all these features: Sil-smooth DYNAFLOW DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HIGH-PRESSED ENGINE MOUNTINGS • Cruiser-Line VENTIPORTS • Low-pressure tires on SAFETY-RIDE RIMS • DUREX BEARINGS, main and connecting rods BODY BY FISHER. *Standard on ROADMASTER, optional at extra cost on SUPER models.
