Tommy Holman, with a single and two doubles, led the winning assault. Carvin Wilson hit a home run for the winners.

In the second game of the evening, Adrian Lions romped to a 19 to 2 win over the Ontario Tractor company team. The Lions limited the tractor boys to two hits, and although the Lions collected only three hits, errors and wildness provided the margin for Adrian.

In the last contest, the M. I. A. folded up in the sixth inning to permit Hollingsworths of Ontario to score six runs and break a 4 to 4 deadlock for a 10 to 4 victory.

This week's schedule was moved from Thursday to Monday to avoid conflict with the Nyssa Night rodeo, which will be opened tonight for a three-night showing.

Tobler's again opened the evening's play Monday with a 12 to 5 win over the previously unbeaten Adrian Lions in second half play.

Blair Hendricks led the winners' attack with three hits. Tommy Holman hit a home run for the victors.

The M. I. A. humbled the Ontario Tractor company team 19 to 1. Bill Beas led the M. I. A. assault with a home run and two singles. Don Herren also hit for the circuit for the winners.

The last game of the evening was a wild scoring affair, with the Waggoner Motor company team finally salvaging a 16 to 11 win. Mark Fraley with a triple and three doubles led the winners. Smiley, Schell and Montgomery hit home runs for the losers.

The Ontario Tractor company will play the Waggoner Motor company Monday, July 25 at 7 p. m. On Thursday, July 28 the Western Corrugator company will be pitted against Adrian at 7 o'clock. At 8:20 the undefeated teams, Tobler's and M. I. A., will meet in a game that will probably decide the second half championship. In the final contest, an Ontario Tractor-Waggoner team will play an outside aggregation.

Rr. Paul Popenoe, Director of the American Institute of Family Relations, says a man with a family ought to get more pay than a bachelor for the same job. We realize two can live as cheaply as one...but only half as long, and when you make it two and one to carry the expenses accumulate like fingerprints on a doorknob. However, it'll be tough to put over the idea. Employers are still more interested in getting a job done than in trying to high-pressure a natural born bachelor into marrying the first girl who proposes to him. We think the Doc's on the right track, but he's apt to hit a detour.
