NOTORIOUS PURINA MIKE WILL BE GIVEN AWAY DEC. 17

AT THE MUSIC FESTIVAL

Sponsored by the Nyssa Municipal Band For The Purpose Of Buying New Band Uniforms

Here's PROOF That It PAYS TO FEED PURINA HOG CHOW!

We'll let the figures speak for themselves. They are taken from the official feeding charts of Mike and Ike demonstration pigs at Tobler's Feed & Fuel. All we ask is that you compare the weight-

gain and feed costs of these two pigs since the start of the test on Sept. 23. Mike gets grain and Purina Hog Chow. Ike gets grain only.

"PURINA" Mike

Days On Feed	Weight	Gain	Feed Used		Feed Cost Per 100 lb. Gain
			Grain	Hog Chow	
0	49 lbs.				
14	84 lbs.	35 lbs.	51 lbs. at \$3-\$1.53	22 lbs. at \$7.25-\$1.59	\$8.92
28	119 lbs.	70 lbs.	153 lbs. at \$3-\$4.59	34½ lbs. at \$7.25-\$2.49	\$10.13
56	189 lbs.	140 lbs.	375 lbs. at \$3-\$11.25	42 lbs. at \$7.25-\$3.05	\$10.21

"Grain Only" Ike

Days On Feed	Weight	Gain	Feed Used		Feed Cost Per 100 lb. Gain
			Grain		
0	49 lbs.				
14	58 lbs.	9 lbs.	37 lbs. at \$3-\$1.01		\$12.33
28	73 lbs.	24 lbs.	87 lbs. at \$3-\$2.61		\$10.87
56	106 lbs.	57 lbs.	224 lbs. at \$3-\$6.72		\$11.80

These are the figures from the official feeding charts of these two pigs. Here's the story in brief that those figures tell. We fed Mike 375 lbs. of grain at a cost of \$11.25, plus 42 lbs. of Purina Hog Chow at a cost of \$3.05, or a total feed cost for Mike of \$14.30. Mike GAINED 140 lbs. in weight during the 56 days, so the cost per 100 pounds of WEIGHT GAINED was \$10.21.

Ike was fed the same kind of grain that Mike had—but grain only and no Purina Hog Chow. We fed him 224 lbs. of grain at a cost of \$6.72. But he gained ONLY 57 lbs. in the 56 days it actually cost more to feed him per pound of gain than it did Mike. Ike's feed cost per 100 lbs. of WEIGHT GAIN was \$11.80.

Here is positive proof in live test demonstration that IT PAYS to supplement the grain rations of your livestock and poultry with SCIENTIFICALLY COMPOUNDED AND BALANCED PURINA FEEDS. We invite you to come into our store and see these two test pigs and make your own comparisons.
