BIG BEND, April 6—The Big Bend P. T. A. held its monthly social gathering Thursday evening, March 30. Jimmie and Peggy Chaney, Kay Cleverly and Gerald and Helen Tuttle of the primary room gave recitations on health and safety. They

had been studying enunciation and did a particularly nice job of speaking. The upper room sang "The Goat Kid", "A Pledge" and "Gardens Under the Sea". Big Bend Grange quartet sang "Far Away Places" and Mr. Stradley and daughters, Mary Ann and Dorothy, sang "Crying In The Rain". The group joined in a community sing, after which sides were chosen for an old-fashioned spelling match, which ended in a tie. The evening was concluded with a lunch of jello, cake, coffee and cocoa furnished by the mothers.

**Wing Tips**

NYSSA MUNICIPAL AIRPORT  
Gordon Schmelzer, Mgr.

Extremely high winds and turbulent air curtailed flying for the past week.

Empire Airlines makes Nyssa municipal airport a stop as of the past week. This would sound fairly good to this community if it were so. However, one of their planes, presumably on a training flight, did touch its wheels at our airport on what is called a simulated forced landing. All the procedure of landing is completed but before the aircraft comes to a stop or slows up to any extent the pilot applies power and takes off. The runway here at Nyssa would be too short for this kind of permanent operation but it does give us something to think about and consider. If we were an airline stop Nyssa would not be more than approximately 60 hours from any port on the globe.

Using the facilities of the airport this week were G. P. Williams of Boise, flying his Beech, and Mrs. Roger Dean of Notus in her Ercoupe. Instructor Mac McGrath is on a cross country with two Emmett students and is at present at Laramie, Wyoming.

Shorty Reynolds has been flying quite a bit lately and is working hard to get soloed out.
