

Eighth Graders To Be Graduated

APPLE VALLEY, May 11—The eighth grade went on their "sneak" Wednesday. They went to Boise to see President Truman and visit places of interest.

Commencement exercises will be held at the Apple Valley church for the eighth grade Tuesday, May 16 at eight o'clock.

The eighth grade pupils were pleasantly surprised with a party

Tuesday evening by Mrs. Dorothy Roe and Mrs. Roy Pletcher. Mrs. Roe made orchids and greens for decorations, the colors being the class colors. All the teachers were present. Games were played and refreshments of Kool-aid, cake, and milk nicks were served.

Several local residents were in Payette Saturday to attend the Blossom festival.

The Dick girls are returning this week to school after a two weeks absence with the measles.

Mrs. Tom Ferguson returned to teaching last Wednesday after

two weeks of illness. Mrs. Dwight Seward substituted for her in school.

Mr. and Mrs. Dwight Seward were Sunday dinner guests of her parents, Mr. and Mrs. Ed Wild of Nyssa.

Mr. and Mrs. Bud Hild and Mr. and Mrs. Henry Horn went on a drive Sunday to Mrs. Horn's old home on Mann's creek.

The church of Apple Valley held its quarterly meeting Sunday. Dr. H. G. McAllister, district superintendent was present.

Mrs. Wiggins of Ontario and her daughter, Mrs. Richard Embler of

Nu-Acres, were visitors Tuesday at the home of Mrs. Henry Horn.

Carolyn, Eugene and Monty Horn were week-end guests of their grandmother, Mrs. Henry Gladish of Payette.

Dwight Seward is building a new barn, 40 feet by 48 feet. Jack Guttendash is helping with the construction.

Kenneth Caldwell and fiancée of McCall were Sunday visitors at the Lloyd Caldwell home.

F. F. A. Officers Attend Conference

The newly elected officers of the Nyssa F. F. A. chapter attended the spring leadership conference at Walla Walla Saturday, May 6.

The meeting was held under the general supervision of Bill Barker, Ontario, district vice president, and Mr. Oveson, Walla Walla district adviser. Sectional meetings were held for the purpose of training each newly elected officer in the performance of his duties. Reports of each of the sectional meetings were presented to the whole assembly at a general meeting at the close of the session.

Lunch was served by the Walla Walla high school home economics girls. A swim at the warm water pool in Cove and a movie in Ontario were enjoyed by the Nyssa group on their way home.

The officers of the Nyssa F. F. A. chapter who participated in the conference were Jimmy Lissman, president; West Beus, vice president; Roger Skeen, reporter; Minard Hart, treasurer; Helmut Hintz, secretary; Richard Diven, state vice president; and Richard V. Wilson, advisor for the chapter.

To Bend—Mrs. Harriett Printz, who has made her home this last year with her son, Dr. C. L. Hermann, left Monday for Bend, where she will visit relatives before going on to Roseburg to spend the summer.

CARD OF THANKS
I wish to thank my many friends for the beautiful flowers and cards sent to me during my recent illness.
Mrs. Sam McConnell

Presenting

... the FIRST successful method
of PRECISION CULTIVATION
with the amazing new

The Original "Short Hoe Bite"

... moves a half-inch bite of soil three inches ... up-ends weeds to positively prevent re-rooting ... transforms parched, cracked and fissured soil into fine moisture-holding mulch! Powered, precision cultivation close to plants without shearing or bruising young tender crop roots! Instantaneous, positive adjustment to any row width (16" to 42"). Unsurpassed for flat-bed cross-blocking or chopping (leaves any size blocks to any desired spacing).

Adaptability! — Flexibility!

Quickly fits all tractors with front-end cultivator bars (easily adaptable to ALL makes of tractors). No other tools are necessary, but rotors are specially designed in size so that any conventional tools also may be used, such as discs, hilling sweeps, trailer planters, etc.

Speed Growth and Cash In on the Early Market!

Let us demonstrate how CULTRO can increase yields, cut costs and save from one to three irrigations. See for yourself its proven benefits.

Roomy

There's room aplenty on Ford's Sofa-Wide seats (they offer top hip and shoulder room in the low-price field) ... lots of leg and head room, too. And with Ford's "Mid Ship" Ride, you travel in comfort you'd expect of finest cars.

Rugged

You ride safe and secure in Ford's 13-way stronger "LifeGuard" Body (Ford's the only low-price car to offer the extra protection of a five cross member frame). You ride in relaxing comfort, too. For "sound conditioning" all over keeps your ride quiet.
