DON'T VOTE AWAY AMERICA'S FREEDOM

They FOUGHT for Freedom—Don't VOTE IT AWAY

Hoover is a veteran of World War I. Morse has never been in uniform. State Comm. Vere McCarty, Department of Oregon, VFW put his organization "on record" denouncing Senator Morse as a sponsor of Senate Concurrent Resolution No. 58 which seeks to develop the United Nations into a world government that would supersede the Constitution of the United States.

WHO PUTS UP MORSE'S MONEY?

The big Eastern labor bosses are raising \$15 million nationally to retain "friendly" candidates. Morse is their No. 1 boy. On April 15, 1950, at Klamath Falls, James Marr, exec. sec. State Federation of Labor, said: LLPE drive for funds for political use is falling flat in Oregon and the national organization is SENDING MONEY INTO THIS STATE FOR POLITICAL PURPOSES. Marr said LLPE ALREADY HAD SENT \$2500 IN BEHALF OF SENATOR WAYNE MORSE OF OREGON.

Ballots can destroy America just as effectively as bullets. As HOOVER has said from the beginning, the issue in this campaign is LIBERTY vs. SOCIALISM. HOOVER stands for individual freedom versus a government-controlled economy. HOOVER has pledged to work for a balanced budget and the retirement of the public debt. Halt government squandering of Federal Funds, thereby making it possible to reduce our crushing tax burden. HOOVER recognizes that government has nothing to give to the people except that which it first takes away from the people. HOOVER will be guided by the interests of all the people of the State of Oregon and the United States and will not be subservient to pressure groups. HOOVER favors the protection and preservation of free enterprise because only through free enterprise will the people remain free. HOOVER will not be a party to the confirmation of any Federal executive who does not have an unblemished personal or political record.

And where does Hoover's opponent stand on these things? A self-proclaimed "liberal," Morse received his early political training under the influence of the La Follette of Wisconsin. In 1938, while still a professor at the University of Oregon, Morse fought on the side of the "goons" against the so-called "picketing bill" which was passed by

the people of Oregon as a protest against beat-ups, bombings and other excesses. Shortly afterward, he was appointed to the War Labor Board by Franklin D. Roosevelt, who had been assured that Morse was sympathetic to the aims and objectives of the New Deal. No one can deny that Morse has been a life long member of the "tax and spend and spend" school of politics. Morse has said repeatedly that it is neither necessary nor even desirable to balance the national budget. Take another recent example of the Junior Senator's position on a most significant issue: While Morse has said he is against the proposed CVA act, as it is now written, what did he do on the matter of the proposed Columbia Basin accounting pool? Senator Cordon termed it "socialistic" and a start toward CVA. Cordon voted against the bill. Morse voted for it, along with Democrats Magnuson of Washington, and Taylor of Idaho.

Abraham Lincoln said this nation cannot exist "half slave and half free." Neither can the Republican party. The Republicans of Oregon cannot carry water on both shoulders. If, at the top of the ticket next November, the Republicans of Oregon attempt to defend a "liberal" on one hand and a conservative on the other, the party will go down inevitably to defeat.

DAVE HOOVER U. S. SENATOR

HOOVER for U. S. SENATOR Committee, Tim Wood Campaign Manager, 208 Broadway - Oak Building, Portland 5, Oregon

DAVE HOOVER

Dave Hoover, a man who has worked with his own hands and knows the value of a dollar, will work for economy, efficiency and honesty in government. Dave Hoover does not CLAIM TO KNOW all the answers. He does not believe "teacher knows best" what is good for the people of Oregon and the nation. Hoover will remember the old proverb: "pride goeth before a fall." Hoover will go back to Washington and keep his mouth shut once in a while. He will not indulge in high-flown flights of oratory nor fall in love with the sound of his own voice.
