**For real PEACE of MIND there's no substitute for systematic savings**

Nothing can equal the feeling of security that comes with having money in the bank... money you can count on for the "extras" in life... money to meet an emergency, should one arise.

Notice from the chart below how a small amount saved out of every paycheck soon builds into a sizeable sum. Governor McKay has proclaimed the period of June 27-July 4 as a time for Oregonians to observe COMMUNITY THRIFT. Open a First National Savings Account during this week and start saving for your independence.
