

Girl Improving After Treatment

NEWELL HEIGHTS, July 27—Mrs. Eugene Pratt and small daughter, Judy, were in Portland and Vancouver two days last week. Judy was at the health clinic for a check-up. The doctors there said she has shown miraculous improvement towards recovery from a rare heart ailment.

Mrs. David Highland, the former Joyce Kurtz, was matron of honor for Shirley Smith at her wedding to Emil Beguhl.

Mr. and Mrs. Stanley Hill and family and Delbert Stephens went on a three-day fishing trip to Little Boulder last week. Mr. Hill went back Sunday morning and packed in about five miles with Dudley Mausling. They returned Sunday evening.

Bob Kurtz and Mr. and Mrs. David Highland accompanied Chuck Share of Owyhee canyon to the cattlemen's barbecue at Silver City, where the Idaho Cattlemen's association met Saturday and Sunday.

Mr. and Mrs. James Stephens of Caldwell visited in the Stanley Hill home Sunday. Mrs. Stephens had just returned from a trip to Los Angeles to visit her son, Junior, who was on leave from the navy. While she was there friends escorted her

around the city on sight-seeing tour. Mrs. Stephens, a sister of Mrs. Stanley Hill, lived in this community until this spring.

Delbert Stephens remained in the Stanley Hill home to work in the potato harvest.

Nancy Hill went home with Mr. and Mrs. James Stephens when they left for Caldwell.

Mr. and Mrs. Jake Munn of Ontario visited in the Carl Hill home Sunday evening. Mr. and Mrs. Munn are former Colorado friends of Mr. and Mrs. Hill.

Mr. and Mrs. Carl Hill accompanied Mr. and Mrs. William Carson of Weiser to Bell Poudre, South Dakota, where they attended the National Beet Growers association convention. While there they attended the Passion play and enjoyed a scenic tour of the Jackson Hole section, the Black hills, the Tetons and Yellowstone. They returned Tuesday.

Mrs. Carl Hill and Mrs. Worden attended the hospital auxiliary meeting in Nyssa Monday.

Mr. and Mrs. Jake Borge and family enjoyed a trip to Warm lake over Sunday and Monday. While there they visited camp Billy Rice, where the Boy Scouts are encamped. The program there is very interesting and instructive, they said.

Mrs. Forest Hardman and Dione went to Los Angeles to attend the

funeral of John Hardman, who died this week following an explosion on board a ship two weeks ago when he was severely burned. He is Forest's brother.

Mr. and Mrs. Jake Borge attended a farm bureau meeting Monday evening at Adrian. A committee was appointed to work on a booth for the fair.

The Happy Cacklers Poultry club met at the home of Charlene Harris Tuesday evening. Plans for the fair were discussed, games were played and refreshments were served.

The 4-H Tractor club met Wednesday evening at the Cecil Smith confectionery in Adrian.

Hugh Glenn, Vern Butler and Gene Pratt have had their clover fields dusted by airplane this week.

Marcelyn McKinley attended the Seabeck church conference with the Adrian Presbyterian group last week.

members of the presidency. The organization has purchased two new electric sewing machines. The rooms are carpeted and have floral drapes at all of the French windows.

GROUP HOLDS SOCIAL
The M Men and Gleaner girls classes of the Owyhee M. I. A. held a social at Ontario last Wednesday evening. Swimming and a lunch was enjoyed.

Guest From American Fork—
Miss Noreen Howe, daughter of Mr. and Mrs. Leonard Howe of American Fork, Utah is a guest at the D. O. Bybee home.

Chest Chairman Appointed—
Mrs. Fred Bracken has been named as community chest chairman for Nyssa, according to Ben F. Hines, state community chairman, who was in Nyssa last week. Mrs. Bracken will work with Hugh Baker of Ontario, who is Community chest chairman for Malheur county.

Colored Men Entertain—
A vocal trio of colored men at the Nyssa labor camp entertained with several spirituals at the weekly luncheon of the Nyssa Lions club Monday noon. The men were Linzie Brown, Charles Pullylove and LeRoy Pullylove. They normally sing as a quartet with Othel Payton as tenor. The quartet will sing at the Methodist church Sunday morning.

Club Holds Meeting—
The Arcadia Livestock 4-H club met July 14 at the home of Virginia Mallett in Vale. President Don Bowers presided at the meeting. A test on the parts of a beef and a hog was given. A weiner roast was held and plans were outlined for a swimming party that was held at Ontario July 18.

Picnic At Nampa—
Members of the Youth Fellowship of the Methodist church went to Nampa Sunday for a picnic at the park. Swimming and games were enjoyed followed by an evening devotional service led by Tom Foster.

Attends Colorado Reunion—
J. E. Bair spent the week-end in Colorado and Utah, where he attended a family reunion and visited relatives.

LEGAL ADVERTISING

NOTICE OF ELECTION
NOTICE IS HEREBY GIVEN that an election will be held in Owyhee Cemetery Maintenance District on Wednesday the 30th day of August, 1950 for the purpose of electing

THREE DIRECTORS
for said District. The place of election shall be the Grade School Building at Adrian, Oregon and the polls for the reception of ballots shall be open at the hour of 2:00 o'clock P. M. and remain open until the hour of 7:00 o'clock P. M. at which time they will be closed.

All persons voting at such election must be electors in the State of Oregon; residents of the District at least 90 days last preceding the date of the election, and the owners of

land within the District as shown by the last assessment roll of Malheur County, Oregon.

This Notice is given by Order of

the County Court of Malheur County, Oregon, dated the 19th day of July, 1950.

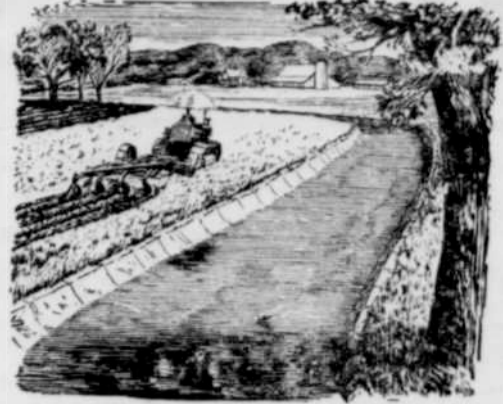

H. S. Sackett

County Clerk of Malheur County, Oregon

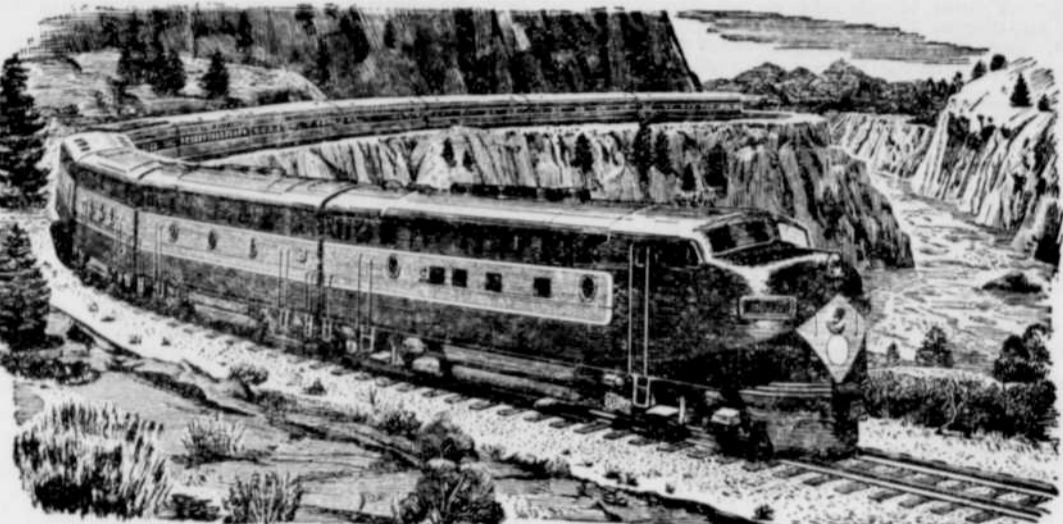

By R. W. Lewis Deputy

To help keep planes safe—a "Peak Temperature Indicator." This device, attached to motors, tells pilots instantly if any cylinder begins to heat up dangerously.

To help save the West's water—an inexpensive irrigation ditch lining. It's made by coating paper or aluminum foil with asphalt and keeps water from being lost into the ground.

To help protect diesel locomotives—a special detector and alarm which warns engineers if water leaks into the lubricating oil. Engines can be shut down quickly before expensive damage occurs.

Three new developments in Standard's laboratories

We picked these three developments to tell you about because they will probably never be manufactured by Standard of California.

Although we developed them, looking for ways to help some of our customers meet special problems, we expect to turn them over to other companies to produce. And this illustrates a point...

Everything we discover that can possibly benefit you is brought to you in some way...even when the development leads us far outside our own field. And when we turn up a practical way to improve a petroleum product, we make prompt use of it and, in many cases, make it available to other companies under license.

Research at Standard is a vital, progressive force. It has called for an investment of more

than \$35,000,000 in the last ten years, but its results have been immeasurable...not only in terms of better products but in the creation of new jobs and greater opportunity for our own people and those in many other industries.

A HOME FREEZER

TIME...

Marketing trips are cut to a minimum—even extra loaves of bread are easily kept in your freezer. Double your favorite menus, serve half, freeze the rest for a complete meal weeks later.

WORK...

So much kitchen work is saved when foods prepared and frozen weeks before just need to be popped into the oven for serving. And frozen foods don't need washing—they're already clean and ready for the pan.

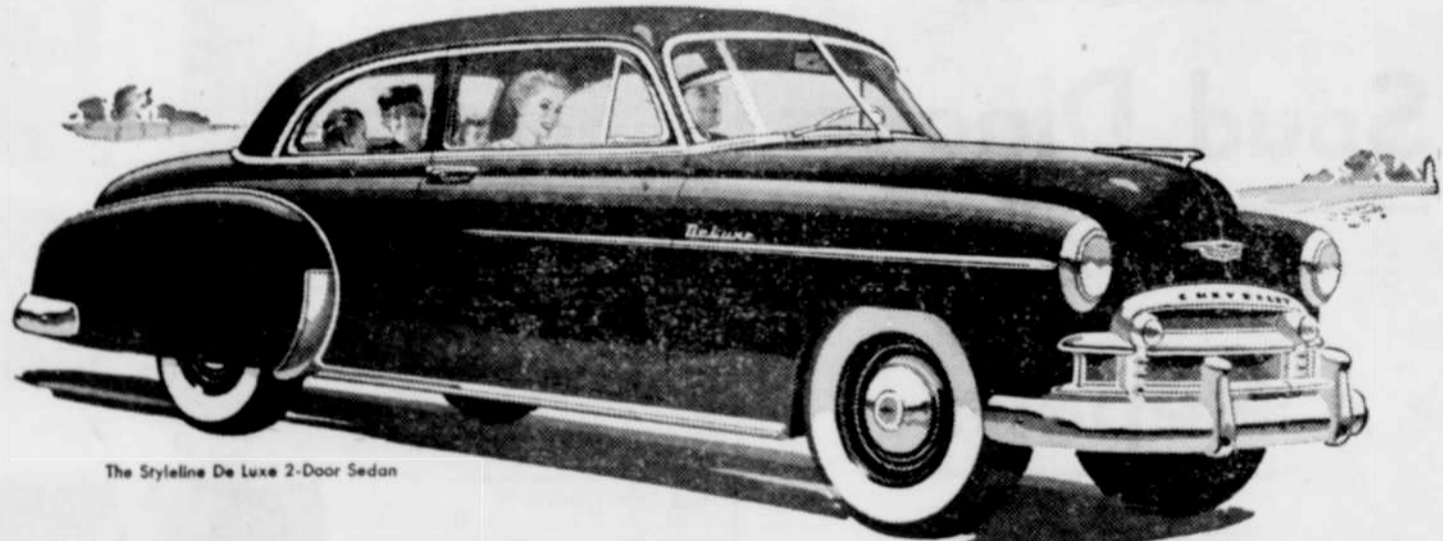

MONEY...

Buy fresh fruits and vegetables in season when prices are lowest and flavor highest and freeze for delicious enjoyment all year 'round. Buy meats, poultry, ice cream at quantity prices. Stretch food dollars by freezing left-overs for later servings.

In town or on the farm home freezers save time and money, and they operate economically at the same low electric rates. Select one today from the many sizes and models your dealer has available.
