How can you be Sure with "marked down" Insurance?

THIS LADY KNOWS!
There are some places in the budget where economy can be dangerous! You wouldn't rely on a "cheap" doctor or lawyer in a serious emergency — so think twice when you see an insurance "bargain."

YOU CAN'T BE SURE — if you buy protection on price alone. It's unwise to spend too much, but depend on an insurance "bargain" and you may lose everything!

Whether You milk by HAND or by MACHINE

... it might pay you well to switch to SURGE milkers.

Extra milk from faster milking does pay off in dollars and cents. SAFE SURGE milking pays off in healthier udders, less work and greater convenience. Easier cleaning pays off in quality milk.

It will cost you some money to switch to a Surge. It may very easily cost you much more to do without one. It costs nothing to have your Surge Service Dealer show you a new Surge.
