Holds Everything...on any hill!

No matter how steep the grade... you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just

one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake ...with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—Independent of wheel brakes—the safest, surest brake you've ever used.

See it—drive it...
there's built-in value
all the way through!

Chrysler Driving Advantages:

Fluid Drive... automatic gear shifting with exclusive car control High Compression Spitfire Engine... extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for far greater wear! Waterproof Ignition System... prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.

Chrysler Comfort Advantages:

Chair Height Seats... no crouching on the floor... Functional Design... room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering... minimizes road shock, wheel lift, Rubber Body Mountings... Floating Power... eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:

"Easi-Lock" Hand Brake... holds car parked on any hill. Safety Rim Wheels... won't throw tires after blowouts at normal speeds. Constant Speed Windshield Wipers... electrically operated... won't slow down when you step on gas. Safe Guard Hydraulic Brakes... exclusive balanced brake power, smoother stops, less pedal pressure.
