Mrs. Calvin Wilton entertained the members of the Amity club at her home last Thursday evening. Two new members, Mrs. Walker Lowe and Mrs. Ez Carr, were welcomed into the club. ADRIAN P. T. A. MEETS

Adrian grade school P. T. A. met Thursday evening, October 19 with a large crowd attending. During the business meeting ways of raising money were discussed. Mrs. George Sindberg and Mrs. Delbert Detienne, who are ways and means chairmen, suggested that members of the P. T. A. take the school census and start several traveling baskets. Committees were appointed for both projects. The traveling baskets in Owyhee is in charge of Mrs. Chet Mills. Mrs. Mills makes something, puts it in the basket and sells it to another member. That member in turn makes something, puts it in the basket and sells it to another member. The money paid for the articles is kept

with the basket as well as a list of names of the members who have participated.

Henry Hartley spoke to the group on the children's bill and a period of discussion was held afterward. Refreshments were served at the close of the evening.

Don't be Tricked

READ THE ADVERTISING PROHIBITION BILL CAREFULLY BEFORE YOU VOTE!

This measure implies a restriction on the advertising of alcoholic beverages only!

Because this measure would conflict with federal laws, it would mean total prohibition.

The effect, therefore, would be complete prohibition of all advertised brands of alcoholic beverages in Oregon!
