COCA-COLA . . . the same price now

as sixteen years ago . . .

We have had numerous telephone and personal calls inquiring about the price of Coca-Cola. We take this means of advising the public that Coca-Cola has not raised its price despite the rising cost of production, and is still selling at the same price as sixteen years ago. It is also the same high quality drink; you can trust its quality . . .

GOING-GOING-
last call for these bargains!

WE think we ought to warn you—this is the last time we aim to advertise these prices.

So you'd better take a careful look at them—and what they'll buy.

They'll buy the thrill of swift, smooth, spirited travel—and trigger-quick power so mighty that few Buick owners have ever pressed it to the limit.

They'll buy sparkling style, spacious comfort and the durable, dependable, time-tested quality for which Buicks are famous.

And when you check what you get for

what you pay, you'll make this discovery.

On a pounds-per-dollar basis—which is the engineers' yardstick of bedrock value—no other cars of comparable dimensions can beat a Buick SPECIAL, SUPER or ROADMASTER.

Or to be more specific—Buick's straight-eight SPECIAL is priced like a six—and in the ROADMASTER "price class" you can pay 23% or more than you'll pay for these great automobiles.

But note this fact: Our supply of these bargains is limited—so you'd better come in now and see what we have on hand.
