

Christian Worker Unit Holds Meeting

ARCADIA, Aug. 30.—The Independent Christian workers group met August 21 at the home of Mrs. George Coleman on Gem avenue. Mrs. Coleman had charge of the meeting. The next meeting will be held at the home of Mrs. George Moeller on Imperial avenue September 3. Everyone is welcome to attend.

Mr. and Mrs. Fred Howe of Berryville, Arkansas, who are spending the summer at Emmett, visited last

Friday in the George Moeller home. Eldon Struve of Bemerton, Washington is visiting his sister, Mrs. Cecil Houston and family.

Mr. Krieman of Parma was a guest at Arcadia Sunday after classes.

Mr. and Mrs. Ray Sparks and family of Rupert, Idaho and Mr. and Mrs. Howard Sparks of Nyssa visited Saturday evening in the Les Burbank home.

Mr. and Mrs. Fred Martin and son of Horseshoe Bend spent Tuesday night in the home of Mr. and Mrs. Ben Houston.

Mrs. Norman Hipp entertained a

group of girls Saturday in celebration of the ninth birthday of her daughter, Linda. Refreshments of ice cream and cake were served to the group.

Mrs. Theo Matherly and Joan were business visitors in Caldwell Saturday.

Mrs. George Moeller and Joretta and Jean attended a birthday party for Mrs. Ed Pharis Friday evening at the home of Mrs. Bob McKinney near Nyssa.

Mr. and Mrs. Charles Bullard and Mrs. Angie Cook attended the pioneer picnic in Vale last Friday.

Miss Wilma Bullard of Boise and Miss Betty Bullard of Nampa spent the week-end here at their home.

Mrs. Angie Cook was a dinner guest Sunday at the home of Mr. and Mrs. Jerry Childs in Fruitland.

Mr. and Mrs. Clarence Burd of Valley View and Mrs. Virgil Halady and girls of Ukiah, Oregon called at the George Moeller home Thursday last week.

Mrs. Otis Bullard visited in the home of Mr. and Mrs. R. G. Chandler in Caldwell Saturday.

Two Couples Leave On Packing Trip

SUNSET VALLEY, Aug. 30.—Mr. and Mrs. Neil Dimmick and Mr. and Mrs. Lynn Pomeroy left Saturday morning with the truck, jeep and trailer and horses for a pack-trip into the Seven Devil's area.

Mrs. Edwin Bergam of Moscow was honored guest Thursday at an afternoon lawn party arranged by Mrs. Charles Schweizer and Mrs. Herbert Bergam at the Schweizer home. Friends and members of the Sunset auxiliary spent the afternoon visiting with Mrs. Bergam, a former member of the group, who is a house guest at the Herbert Bergam home.

Edwin Bergam is employed by the General Electric company at Richland, Washington, and his wife and children plan on moving to Richland soon.

Mrs. Russell Howell returned to her home last Friday after being hospitalized four days in the Nyssa hospital. House guests for a week at the Howell home recently were Mr. Howell's father, Fred Howell and his sister, Mrs. Fred Lynch.

Mr. and Mrs. Howell, their guests and Mr. and Mrs. Charles McCoy picnicked Monday evening at the Owyhee dam before the visitors departed Wednesday. Additional houseguests the previous week were Mrs. Howell's brother, Roy Cates and wife of Chickasha, Oklahoma.

Mr. and Mrs. Homer Didericksen and Mr. and Mrs. James Robb made a week-end trip to Moses Lake, Washington.

Mr. and Mrs. James Chadd and daughter, Linda, left Monday on a six-day fishing trip to the Anthony lake region.

Mr. and Mrs. O. P. Council made a business trip to Boise Friday.

Mrs. Frances Orr and Mrs. Ann Kusske of Portland arrived Tuesday for a few days' visit at the home of their brother, M. A. Rataeyk.

Mrs. Kusske was a resident of this

valley when the project was first opened.

Miss Clarice Notheis returned Sunday from Greeley, Colorado, where she attended summer school and worked on her master's degree.

Miss Notheis and her parents, Mr. and Mrs. Albert Notheis, left for a vacation trip to Portland.

Dining in Ontario Saturday night and spending the evening together were Mr. and Mrs. George Folkman, Mr. and Mrs. Carl Simpson, Mr. and Mrs. Al Kuehn of Boulder, Colorado, Mr. and Mrs. S. E. Flanagan, Mr. and Mrs. Bert Hunt of Plain City, Utah, and Mr. and Mrs. Chester Bowns. Mr. and Mrs. Hunt were houseguests of Mr. and Mrs. George Folkman.

Mr. and Mrs. Elmer Cloninger returned Wednesday from Great Falls, Montana, accompanied by their daughter-in-law, Mrs. Pete Cloninger, and three children. Pete Cloninger drove their car here, but left immediately for Camp Stillman, California where he has been transferred. His wife and family will make their home on the farm with his parents.

Mr. and Mrs. William Orr moved last Saturday to their new home at Hermiston, where Mr. Orr is employed. His mother, Mrs. Jenny Orr, is also with them.

BUENA VISTA

Mr. and Mrs. Brice Murphy and Charleen and Mrs. Mae Goodell of St. Francis, Kansas visited at the Leslie Topliff and Alva Goodell

Earl Says—

You know, there's two important items on your car that are easily overlooked—so I'll remind you now to let me check your oil filter and air cleaner. So, better come in tomorrow. I'm at BERTT'S.

homes. Mrs. Murphy is a niece and Mrs. Goodell and a sister-in-law of Mrs. Topliff and Mr. Goodell.

Mr. and Mrs. Magnus Ekanger, Mr. and Mrs. Eugene Cleaver and daughter, and Mr. and Mrs. Lester Cleaver and children fished over the week-end in the mountains.

Mr. and Mrs. O. E. Cheldelin and Donna Jean and Phyllis were dinner guests at the Alva Goodell home Thursday evening.

Mr. and Mrs. Willis Bertram attended Western Idaho State fair at Boise Thursday.

Mrs. James Stephen, Jr., and Mrs.

Leslie Topliff attended a W. S. C. S. meeting at Nyssa Thursday.

Mr. and Mrs. George Cleaver and Mr. and Mrs. Willis Bertram attended the Idaho state softball tournament at Caldwell Saturday and Sunday.

Mr. and Mrs. Leslie Topliff were in Emmett Wednesday. They were accompanied home by Elizabeth, who visited here for a week.

Mr. and Mrs. Leslie Topliff were Friday evening dinner guests at the Roland McKuestry home.

Mr. and Mrs. Loyd Cleaver entertained Mr. and Mrs. Jim Ritchie,

Mr. and Mrs. Howard Day, Mr. and Mrs. Delbert Cleaver and Alvin and Leonard Cleaver Saturday evening. Refreshments were served.

Mr. and Mrs. La Vern Cleaver accompanied Mr. and Mrs. Don Herren to a picnic at Caldwell Sunday.

Here From Nampa—Mr. and Mrs. David Wheeler and little daughter of Nampa were visitors at the C. R. Kesler home Sunday evening.

EASY HANDLING— BETTER PERFORMING

Did you ever consider how important levers are in the operation of a simple machine like the plow?

On MM Hi-Klearance plows, the position and operation of levers add much to ease of handling and efficient performance. The levers are adjustable to be within easy reach of the operator, and are balanced and equipped with lifting springs for easy operation. It is necessary to move only one lever to change the depth of plowing. A simple pull on the trip rope operating the power-lift lever lowers the bottoms point first into the ground where they level off immediately at the depth setting. Another pull on the trip rope brings the bottoms out of the ground point first in one-half revolution of the land wheel. The result is shorter headlands and a better plowing job. The simple quick-acting MM power-lift provides a lift of from 7 to 10 inches depending upon plowing depth, for good clearance at the ends of the field and less dragging of trash. These are just a few of the advantages of MM quality plows. See us now for complete facts.

What's it worth to you?

A tip of solder on a connection in a telephone office... Every time you use a telephone your voice is carried through hundreds of such connections...

There are millions of carefully soldered wires... all waiting, just in case you should want to talk to someone, somewhere—almost anyone, anywhere.

Every drop of solder costs more than it used to... The wages of the skilled man who wields the iron have gone up—so has the price of the tools he uses. * Everything needed to provide, expand, improve the service, costs more than it did ten years ago or even one year ago.

Yet the cost of telephone service has gone up far less than most things you buy.

Think about it a moment...

In time and trips saved each day, in its availability in emergency, the value of your telephone far outweighs its cost.

They Like it a Million!

Last week Buick set a proud record.

The millionth Dynaflo Drive* was delivered to a happy owner.

That's a new peak in popularity for modern drives which take you from a standing start to any cruising speed desired with a smooth, unfaltering swoop of power.

"The biggest advance since the self-starter" is what the motorwise press called this Buick development back in 1948—and now a million owners can tell you how right that proved to be.

Here, they found, was a basically different way of delivering power.

It was the first drive to get completely away from any gears which function

in a series of fixed stages—the first to apply supercharging principles that did new tricks with spinning oil.

And how folks loved it!

They loved the freedom from strain in traffic. And the new "sweetness" of ride which every passenger could enjoy.

They loved the command it gives them of every traffic situation—and the relaxation it contributes to a long day's drive.

They loved its extra safety in slippery going, and the improved control in mud and snow.

As they piled up experience, they

loved the unexpected savings of rear tire wear and the reduced strain on all driving parts, from engine to differential.

And finally—they loved what it does for the value of a Buick, as reflected in the extra dollars that Dynaflo* adds to the resale price of a car.

Have you sampled this driving sensation?

There's no time like the present for discovering the thrills that more than a million Buick owners already know.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.
