

Two Missionaries Tell Experiences

UPPER SUNSET, Aug. 30—Two

missionaries of the Boise L. D. S. stake, Elder Rulon Jergenson and Joyce Stoker, attended the Owyhee ward meeting Sunday evening and told of their experiences in the

mission field, Jergenson in Denmark and Miss Stoker in the southern states.

George C. Callahan and four sons of Chula Vista, California were here to attend the wedding of Miss Beverly Ann Ure, sister of Mrs. Callahan and to visit two weeks with their parents, Mr. and Mrs. Ira Ure and Mr. and Mrs. Joseph Callahan. They stopped at Zion National park and Bryce's canyon and visited relatives in Utah, en route to Oregon. Mr. and Mrs. Callahan are former residents of Nyssa.

Word was received this week from Lewis Ray Callahan, who is in the navy at Philadelphia, that he will leave soon for Cuba. From there he will go to France and the Mediterranean sea for the fall and winter.

Dale Patterson, son of Mr. and Mrs. Grant Patterson, left last Sunday after a two weeks visit, for San Diego to finish his training in the navy.

Mrs. Ray Shoutlyce, president of the L. D. S. primary at Owyhee, met with her workers at the stake convention last Saturday, at the Nyssa stake house.

Mr. and Mrs. Joe Callahan were dinner guests at the Leo Utter home last Sunday.

Mrs. Corfield is very ill at the hospital.

Miss Loya Callahan entertained her parents, Mr. and Mrs. Joseph I. Callahan of Nyssa, at a dinner

at the Purple Sage cafe on their wedding anniversary last Tuesday. Those attending were Mr. and Mrs. George C. Callahan of Chula Vista, California and Mrs. Ira Ure of Nyssa.

Mrs. Maude Workman and children, who have been visiting Mrs. Workman's parents, Mr. and Mrs. Utter, will return to their home in La Grande this week.

Here From California—

Mr. and Mrs. H. M. Herren, former Nyssa business people now living at Martinez, California, are visiting in Nyssa this week. Mr. Herren is employed at a government ordinance depot.

Hospital Auxiliary Meets—

The women's hospital auxiliary met Monday afternoon, August 27. Reports were made on the sewing and mending project and of the blood-typing which was done in July. Produce donated by members has been canned.

Visit In Nampa—

Mr. and Mrs. Le Roy Barnes and family visited at the home of Mr. and Mrs. Chet Mosier in Nampa Monday evening.

Visit With Barnetts—

Visiting at the home of Mr. and Mrs. John Barnett last week were Mr. Barnett's sisters and brother, Sadie, Anna and Edward Barnett of Fort Scott, Kansas and Mrs. L. E. Owens of Owensburg, Kentucky. The visit marked the first time in several years that the family has been together and the first time they have been together in Oregon.

CARD OF THANKS

We wish to thank our friends and neighbors for the cards and words of sympathy at the time of the death of our mother and grandmother.
