"In 1951 Malheur county came up with \$1100 in campaign funds and in 1952 it came up with \$4002.99. I want to thank each of you for the generosity that made this campaign a success. If I may report as a spokesman for the victims of polio, I think they would say "Thanks a million—we knew you wouldn't fail us."

Speaking of "Your Chamber of Commerce—1952", President Elmer Cruson said "Last year was a very busy and profitable one. I hope we can do as well this year. If we do it will be through the efforts of the members."

Mr. Cruson said financing the brochure that was started in 1951 will be one of the major projects for 1952. The chamber's farm rodeo committee will work with the housing authority to improve the labor camp, hoping thereby to get a better class of labor. The new president said committee members have worked out most of the details on the rodeo association with the Owyhee Riding club and has high hopes for the new organization. He said he hopes the new industry committee will be able to gain establishment of a meat processing plant in Nyssa. He also mentioned other projects tentatively planned for the year, the Guernsey sale, Jersey show and Nu-Aeres Grange dinner.
