GEHL
SINCE 1859
PRONOUNCE IT "GAL"
FORAGE HARVESTER
for fast, uniform chopping

That's what thousands of Gehl owners say... and this better chopping ability is inherited from Gehl Hay-Cutter Silo Fillers, famous for more than 50 years. The Gehl saves men, toil and sweat. With Hay Pickup Attachment, it sweeps up dry hay, straw, or grass for silage from the windrow, chops and blows it into wagon at 1 1/2 to 3 acres per hour. Available with own motor or power take-off.

QUICK CHANGE-OVER FOR 3-WAY HARVESTING

In a few minutes you can attach the Hay Pickup, the new Mower Bar for low or tall-growing grass silage crops, sown broadcast, or the Row-Crop Attachment for Corn, Cane, etc.

GEHL TILT-UP BLOWER elevates to highest silo or mow... blows hay horizontally as much as 100 feet. You can own a Gehl Self-Unloading Wagon Box, build your own, using Gehl Parts Kit and Free Plans, or get Gehl Parts Kit and Free Plans for making your present box self-unloading.
