Mrs. Lynn Kygar and Maxine went to Boise Friday where they visited at the Dick Brown and Don Franklin homes.

Several people from this community attended the picnic at the Adrian grade school Friday. In the afternoon the fathers played the sons a baseball game and defeated them.

The score is rather indefinite as there was no official score keeper and no one could say exactly what the final score was. The game had some exciting moments such as the umpire (who was wearing a glove) fielding a hot grounder and putting the batter out on first. Several errors were committed by the fielders who failed to catch the ball or threw it if they did manage to get a glove on it. Because of the large number of substitutes the men were able to hold out long enough to defeat the boys. Also the men had first "ups" and Mr. Newman called the game at the end of five innings so the school buses could get the students home.

The Handy Workers 4-H club members entertained a mother's tea Thursday afternoon at the home of Shirley Skinner. Patricia Babcock and Sally Reed gave a demonstration on how to sew on a button, Diana Whitman did two dance numbers and Shirley Skinner, Karen Mitchell and Kay McDonald showed the correct way to shampoo hair.

Refreshments of cup cakes, punch and candies and nuts in nut cups bearing the 4-H emblem were served to 117. This was the last meeting for the group this year.

Bunco was played by the 23 present and prizes were won by Mrs. Florence Kygar, Mrs. Grant Patterson and Mrs. Byrd Walters. Refreshments of shrimp salad, crackers punch and coffee were served.
