New TRUE sideward action RAKES FASTER with LESS LEAF LOSS

... with the NEW **FERGUSON Side-Delivery Rake**

Now you can rake hay at higher speeds with better returns. The new Ferguson Side-Delivery Rake lifts the hay gently with a continuous action... moves it directly sideways to the windrow with its six-bar, offset reel, in half the distance it is usually moved by older, leaf-shattering raking methods! No pitching, kicking or tossing—far less rolling and churning! Less leaf loss. Power take-off driven—tractor-mounted—Finger Tip Controlled. See it today!
