The Merry Matrons club met with Cora Rookstool as hostess Wednesday afternoon, June 4. Twelve mem-

bers answered roll call with a child's bright remark. The afternoon was spent socially. During the business meeting President Viola Adams appointed Virginia Rookstool, Lillian Lundy, Opal Holmes and Gladys Byers as a committee to work out some ideas to be used for a float in the Rodeo parade. Parlor games were played with Viola Adams, Opal Holmes and Betty Bowen receiving prizes. Dorothy Runcorn joined the club. Lunch was served by the hostess, assisted by Reva Rookstool and Lila Holmes. The next meeting will be held June 18 with Virginia Rookstool as hostess. Officers for the next 6 months will be elected at that time.

Mr. and Mrs. Rolland Holmes and family were guests at weiner roast Sunday evening at the home of Mr. and Mrs. Gilbert Holmes.

Mr. and Mrs. Glen Holmes, Jr. and Mr. and Mrs. Frank Byers and Betty and Stanley picnicked on the Byers' lawn Sunday evening.

Mr. and Mrs. Frank Byers and Stanley made a business trip to Vale Monday.

The Oregon Trail Grange last Thursday evening passed two resolutions; one favoring a 10-mill county-wide road tax, and another expressing the Grange's appreciation to Dale Garrison for the work he had done while a member of Nyssa Road Assessment district's board.

The organization will ask the Malheur county court to place the road

tax question on the ballot for the November general election. The measure is for continuation of a 10-mill levy for five years after the present levy expires June 30, 1953.

Garrison, whose term as a member of the road district board expires soon, was given a vote of thanks by the Grange for devoting time and the part he has played in the satisfactory operation of the district.

Other business included a report by Frank Sherwood on a meeting with the county court on noxious weeds and a report by Bob Holmes of the Cattlemen's association asking that trucks be disinfected. E. E. Bush urged members to insure their grain and Mrs. Wilson Winter, home

economics chairman, told of a Grange picnic planned for July 27 in the Nyssa park for all members, former members and the Nyssa Chamber of Commerce.

A petition was signed on daylight savings time.

Mr. and Mrs. H. O. Hopkins served refreshments.

HERE'S HOW

Balsam Wool
KEEPS YOUR HOME COMFORTABLE
Summer and Winter

Balsam Wool is actually a built-in control for the "climate" of your home. Because it is a sealed insulation and because it is actually fastened to the framework of your home... it creates an insulation barrier that is permanent and complete. It can't sag or pack; is moisture-proof, wind-proof, fire resistant, rot and termite-proof. Installation is easy, too. Many people do the job themselves.

GUARANTEED TO SATISFY

If after 12 months you are not satisfied that Balsam Wool has made your home cooler in summer—warmer in winter, Boise Payette will refund your money including the cost of installation.

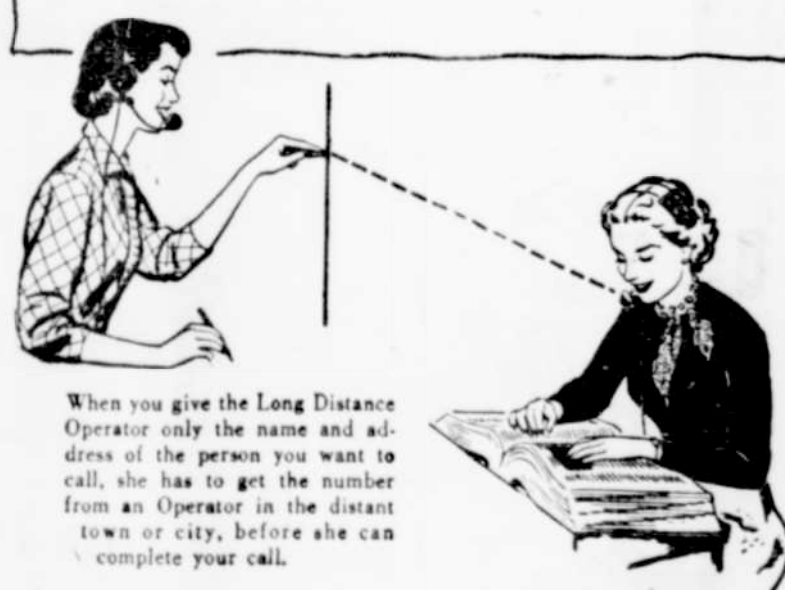

Call for a FREE ESTIMATE

of how much it will cost to insulate your home with Balsam Wool. No obligation. Balsam Wool may be installed for nothing down, 36 months to pay.

Here's why Long Distance calls go through faster when you give the number you want

When you give the Long Distance Operator only the name and address of the person you want to call, she has to get the number from an operator in the distant town or city, before she can complete your call.

But when you give Long Distance the out-of-town number you want, it saves that extra step and your call goes through faster. It also avoids tying up the lines which are urgently needed to carry the heavy load of Defense calls.

To make it easy for you to keep a list of out-of-town telephone numbers, the operator will tell you the number as she handles the call. Make a note of it for future reference.
