Complete Plans For Dairy Barns and Other Farm Buildings At No Extra Cost!

CEMENT — NAILS — ROOFING — WINDOWS — BOLTS & SCREWS

Overall costs of construction are not as great as you might think. That's part of our job, to help you figure your needs and hold the cost to a minimum. Many items in the building line are actually less now than they were a few years ago.

Your additional profits from a Grade A Dairy, will mean that your barn is merely an investment from which you receive large returns.

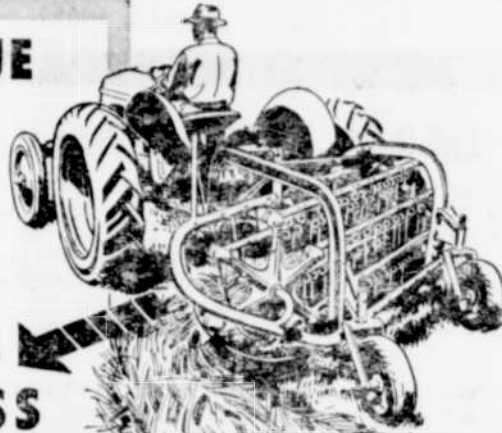

Other farm buildings, too, can mean greater profits by the protection they afford for your machinery and crops.

New TRUE sideward action RAKES FASTER with LESS LEAF LOSS

with the NEW **FERGUSON Side-Delivery Rake**

Now you can rake hay at higher speeds with better returns. The new Ferguson Side-Delivery Rake lifts the hay gently with a continuous action . . . moves it directly sideways to the windrow with its six-bar, offset reel, in half the distance it is usually moved by older, leaf-shattering raking methods! No pitching, kicking or tossing—far less rolling and churning! Less leaf loss. Power take-off driven—tractor-mounted—Finger Tip Controlled. See it today!
