Weiser Roundup Is Set For Aug. 2-4

WEISER, July 26—Top cowboys of the nation, now following the rodeo circuit of the northwest, will be in Weiser August 2, 3, and 4 for the all-professional Weiser Valley roundup.

And fans who attend the three-night show will hear on the "mike" a rodeo announcer recognized as one of the top three of the nation. He is Pete Logan, who hails from the southwest.

Logan will team up with Wes

Curtis of San Diego, in gag routines and comedy acts. Curtis is making his first appearance in the northwest this year and is likewise among the best in his profession as clown and bullfighter, according to Eldon Couper, president of the roundup association.

"Little Brown Jug" Reynolds of movie fame, with his Roman team, will also be on this year's schedule of roundup specialty acts. He performed here three years ago and was a popular hit with spectators.

Another specialty number will be provided by Jim Hicks of Portland. The 1951 Weiser Roundup is un-

der contract to Harley Tucker of Joseph, Oregon, who will produce the show and furnish the livestock. Tucker, who has supplied the stock for many Weiser shows, has added more rough and tough broncs, steers, and Brahma bulls to his string to make the going difficult for the professionals.

Many of the nation's best cow-

boys will be trying to tame the Tucker animals. The purse of \$600 for each of five major events, plus entrance fees, will attract scores of the best boys in the business. They will compete in calf roping, saddle and bareback riding, bulldogging and Brahma bull riding.
