

## New Responsibility Law Is Explained

SALEM, July 26—An explanation of the purposes and requirements of Oregon's new motor vehicle safety responsibility law, which are of immediate interest and importance to the great majority of motorists was made public by Secretary of State Earl T. Newberry, who will administer the law.

"The law is an act of the legislature to protect everyone in Oregon against financially irresponsible owners or operators of motor vehicles who become involved in accidents. It also promotes street and highway safety by facilitating the state's ability to remove habitual accident causes from behind the wheel. This law replaces the present financial responsibility law.

"It becomes effective August 2, and on the same day repeal of the present financial responsibility law takes effect.

"It affects all motor vehicle owners and operators, including non-residents, (except vehicles owned by the United States, the state of Oregon or its political subdivisions, or any municipality therein), when they become involved in an accident

NOW IT'S EASY TO DO A *Sweet* JOB  
OF HARVESTING SUGAR BEETS—  
WITH THE NEW McCORMICK-DEERING HM-1 BEET HARVESTER

Now it's easy to harvest beets in less time—and at the right time—with a McCormick-Deering HM-1 Beet Harvester for your Farmall H, M or MD Tractor.

This machine harvests 5 to 6 tons of beets an hour. And you don't have to worry about weather or field conditions—you can harvest your beets no matter whether it's hot, cold, wet or dry.

In one continuous operation, this beet harvester tops, lifts, cleans and loads the beets into a special cart pulled behind the tractor. The cart is equipped to elevate the beets into a truck or wagon at the end of the field. This eliminates handling and it's not necessary to drive the truck across the beet field.

Come in today. Let us show you how the new McCormick-Deering Sugar Beet Harvester will do a sweet, efficient job of saving you time and money.

## Yellowstone Yields Variety

Lower Falls of the Yellowstone River in Yellowstone National Park, northwestern Wyoming, seemingly plunges from pine-clad hills into Grand Canyon in this view from Artist's Point. The canyon's sheer walls 800 feet high of strange volcanic coloring laced by foaming green of the turbulent river makes a spectacle worth seeing should no other wonders exist in the park. However, the violent geysers, marvelously colored hot springs, mud volcanoes and other strange phenomena added to the scenery of Yellowstone make it one of the nation's most popular summer vacationlands.

resulting in death, injury or property damage.

"Within 24 hours after a motor vehicle accident resulting in death, injury or property damage, the operator of every car involved must file a written report with the secretary of state. Official forms for this purpose may be obtained from any regional office of the secretary of state, any sheriff's office, any police station, or from the secretary of state. Reports may be filed with any of the foregoing or sent direct to the secretary of state in Salem.

"You must report the accident regardless of who is to blame. If the operator of a car is physically incapable of reporting and is not the owner of the motor vehicle, then the owner must file the report within 24 hours after learning of the accident. Failure to report is punishable by a fine up to \$100. The secretary of state may also suspend any license of any driver and the registration of all vehicles registered in the name of an owner who willfully fails, refuses or neglects to make a report of an accident.

"Within 90 days after an accident in which a person has been killed or even slightly injured, or property damage to any one person, including yourself, exceeds \$100, you may furnish the secretary of state with satisfactory evidence that you have done any one of the following things:

Obtained a release from liability signed by the other parties to the accident, obtained a final court judgment declaring you to be not liable. Executed a duly acknowledged written agreement providing for the payment of all claims resulting from the accident, not exceeding a total of \$11,000 or deposited with the secretary of state sufficient cash to pay damage claims resulting from the accident, as determined by the secretary, but not to exceed \$5,000 for death or injury to one person, \$10,000 for death or injury to more than one person, and \$1,000 property damage.

"The law provides several ways in which you can protect yourself. If you filed your accident report and had in effect at the time of the accident some form of liability insurance or bond which covers damage claims up to a total of \$11,000, the security section of the law does not apply to you at all. Remember, however, that such insurance or bond must be in effect at the time of the accident and provide the following minimum coverage: \$1,000 for property damage, \$5,000 for death or injuries sustained by one

person, and \$10,000 for death or injuries sustained by more than one person in one accident."

person, and \$10,000 for death or injuries sustained by more than one person in one accident."

## Grange Planning County Fair Booth

Plans for a booth to be arranged at the Malheur county fair were outlined at a meeting of the Oregon Trail Grange Tuesday night.

Vern Lance, state deputy, discussed senate bill No. 315 and the right of non-property owners to vote in bond elections. Gerrit Stam spoke on price controls. Mrs. Gerrit Stam showed motion pictures of scenic spots in Malheur county.

Beginning in August, Grange meetings will be held the first and third Thursdays of each month. The August 2 meeting will feature a demonstration by the first aid and rescue squad of the Nyssa volunteer fire department on the resuscitator.

## Visit In Nyssa—

Visitors in the Ralph Capper home this past week were Mr. and Mrs. Walter Beebe of Lebanon and Mr. and Mrs. John Capper of Sweet Home. They were en route to Gering, Nebraska. A picnic dinner was held in their honor Sunday.

## Here From Burley—

Mr. and Mrs. Ed Kesler and family of Burley arrived in Nyssa Tuesday to spend several days at the

home of Mr. and Mrs. Vibert Kesler.

## Attend 4-H Club Tour—

Virginia Mallet, Francis Peik, Catherine Coleman, Gail Coleman and Lynnette Hickman of the Arcadia Livestock club attended the Eastern Oregon 4-H club tour at the experiment station at Union July 17, 18 and 19.

## Here From Utah—

Mr. and Mrs. Rosmond Blair of Lewiston, Utah and Mr. and Mrs. Dean Moiser and two children of Ogden spent last week-end at the home of Mr. and Mrs. Frel Blair.

## TOO LATE TO CLASSIFY

LOST—Wheel for hand truck, Gates rubber company number 402, 8x2.50

rubber tire. Lost between Nyssa and McCoy's grocery. Phone Dr. Pepper Bottling company, Nampa 1177. 26jy1xc

MISCELLANEOUS—John 8:32, Jesus said unto them, If God were your Father, ye would love Me, for I proceed forth and come from God, neither came I of myself but He sent Me. Why do you not understand my speech? Even because ye cannot hear my word. Ye are of your father the devil and the lust of your father ye will do. He was a murderer from the beginning and abode not in the truth, for there is no truth in him. When he speaks a lie, he speaks of his own, for he is a liar and the father of it. And because I tell you the truth ye believe me not. 26jy1xp

FOR RENT—Four-room house, unfurnished. Phone 019-R1. 26jy2xc

LOST—Large black dog, license 979. Contact owner at Pruyn garage. Phone 56-W. 26jy2xp
