FEED BAGOLOGY

by

NYSSA FEED MILL

"There are more cattle within a 50 mile radius of Ontario than in any other area of comparable size anywhere in the western half of the United States," says Col. Ellis White, manager of the Ontario Livestock Auction Co. There are a half million cattle in the immediate area served by Ontario.

It's the growth you put into pigs and chicks now well-rounded nutrition right through the summer that puts money in your pocket in the fall. Yes, now is when they need Pillsbury's Best with the growth power of "Mycins."

Leroy Ehman and Son, Atlanta, Indiana, made an excellent record of 214 1/2 pound hogs in 4 1/2 months. That's the average weight on a bunch of 38 Pillsbury-fed hogs. Final figures show remarkable feeding efficiency: 2.7 pounds of feed produced a pound of pork. Says Ehman, "These hogs have done the best of any we've ever fed. We have definitely saved money with Pillsbury, because we feed less grain."

It is a proved theory that successful men are likely to show resourcefulness at an early age. This story concerns a wealthy man who, when he was a boy, walked into a farmer's melon patch and asked the price of a fine big fruit. "That's 40c," said the farmer. "I have only 4c," the boy told him. "Well," smiled the farmer and winked at his hired hand as he pointed to a very small and very green melon, "how about that one?" "Fine. I'll take it," the boy said, "but don't cut it off the vine yet. I'll call for it in a week or so."

"IT PAYS... to buy our feeds and follow our carefully recommended feeding program for livestock and poultry."

Mr. and Mrs. Leroy Parton of Nyssa were married July 1 in the Christian church of Nyssa by Rev. Joe Wag-

goner. The bride is the former Irene Bibbey, daughter of Mr. and Mrs. Roy Bibbey of Nyssa. (Harano)

lunches and ice cream were enjoyed at noon. The afternoon was spent informally in visiting.

WOMEN GIVE PROGRAM
In keeping with the 24th of July celebration, held each year for the past 104 years in Utah, the Daughters of Utah Pioneers in Nyssa were privileged to present the Sunday evening program of the L. D. S. second ward. Vice Captain Bessie Bair conducted the program.

Many of the women wore oldtime costumes, with bonnets and gloves, and full ruffled skirts. A vocal solo was given by Mrs. D. O. Bybee, entitled "The Old Rustic Bridge" and true pioneer histories of the trials and hardships that were encountered on the plains were given by Mrs. Glenn Hammon. Captain Nell Bair presented a sample of the lessons studied by the women each month at their meeting and a chorus of 12 daughters and granddaughters of Utah pioneers sang "Do Not Forget Them," accompanied by Miss Vella Dee Poulson, on the organ. Mrs. "Grandma" Bair gave the invocation and Arvilla Swenson, who was the first local captain, gave the benediction.

The couple spent their honeymoon at Yellowstone park.

4 Teams Remain In Tournament

Only four teams were left in the double elimination tournament of the Snake River Valley Softball league at the end of play Tuesday night.

Shurtliff and Brogan team of Payette was eliminated Tuesday night when it lost to the Ontario grocery 7 to 2. Tobler's trounced the undefeated Muir-Roberts and Burningham team Tuesday night 15 to 5.

The Arrow company of Ontario and Waggoner Motor company of Nyssa were eliminated from the tourney Monday night. Other teams were eliminated earlier in the tournament upon suffering two losses.

Davis Oil and Gas and the Ontario grocery were scheduled to meet Wednesday night. The winner of that game will play Muir-Roberts and Burningham tonight and the winner of that contest will play Tobler's, probably Friday night. Tobler's, now leading the league in the second half, could win the second half pennant with one victory and one of the other teams would win the pennant by defeating Tobler's twice. The double elimination tournament will determine only the winner of the second half. Because of make-up games, the winner of the first half has not been determined, but Tobler's may also win that pennant. If the feedmen win both the first and second halves, there will be no play-off.
