QUESTION: We intend to take two valuable movie cameras on our vacation trip. We want to know if our present residence theft policy can be changed to cover possible theft of the cameras while we are on our trip.

ANSWER: Yes, such a clause can be added but you should consult your agent about a "Camera Floater" which will protect you in case of damage to or other loss of the cameras besides theft.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

"The Best for Less"

From Sagebrush To Gas

It's a long step from the days
when Old Oregon Trail Pioneers
cooked and kept warm with
Sagebrush.

THE MODERN MEANS
OF COOKING AND HEATING
IS WITH GAS

During the six years the Ideal Gas & Appliance has been in Nyssa, we too have been pioneering!

We have been building our business and at the same time teaching residents of Eastern Oregon and Western Idaho that—

The rapid expansion of our firm points to the growing number of SATISFIED CUSTOMERS who depend on our service and the products we sell for their cooking and heating needs.

We never install appliances until we have scientifically checked all requirements so that the utmost in efficiency and economy can be enjoyed.

We Are Actually Pioneers!

We are continuing to expand our service for a vast area. We are building a business that one day will be known as "One of the Old-Timers" that kept pace with the growing Inter-mountain area.
