

Dec. 10 Deadline Set For Federal Crop Insurance

Application for federal crop insurance for 1953 may be made up until Dec. 10, 1952. Coverage has been extended to small red beans for the 1952 crop year, which brings to a total of eight insurable crops in the county. Others are alfalfa for hay, barley, oats, potatoes, sugar beets, wheat and red clover.

Federal crop insurance is the only protection of its kind available to the farmers. It is backed by the federal government in order to meet the need that has existed and been recognized since farming began. Through it, the producer can add a basic principle of good business—protection of the investment to his operations. A crop insurance policy provides protection of the crop investment, with the farmer paying a premium for this protection against the unknown.

Farmers who wish this investment protection to apply to their farm should contact the county PMA office, city hall building, Ontario, for further details on the operation of the insurance program.

3-Cent Memorial Stamp Issued

A new three-cent stamp marking the 100th anniversary of the founding of the American society of civil engineers will be issued September 6, through the Chicago post office. The printing of 110,000,000 of the memorial stamps has been authorized.

The stamp, blue in color, bears a replica of a typical covered wooden bridge of the 1852 period in the lower left-hand corner and in the right and central portion of the stamp is a reproduction of the George Washington bridge with the New York City in the background. The design of the stamp is intended to portray the advancement made during the past century in one phase of civil engineering, bridge building.

Stamp collectors and dealers desiring first day cancellations may send a reasonable number of addressed envelopes to the postmaster, Chicago with money order remittances to cover the cost of stamps to be affixed. Postage stamps and personal checks will not be accepted in payment.

Chas. Short Former Nyssan Succumbs

Charles B. Short, 51, manager of a furniture store at Wilder and former resident of Nyssa, died Wednesday morning at a Caldwell hospital. Mr. and Mrs. Short resided in Nyssa for a number of years, where he was associated with the Veltex Oil Co.

Survivors include his wife, Juanita; a son, Charles B. Jr., Ontario; a daughter, Miss Jean Short of Portland; three brothers, C. W. and J. E. of Boise and P. A. Short of Klamath Falls and a sister, Mrs. Harold Prestel of Grants Pass, Oregon.

Funeral services will be conducted at 9:30 Saturday morning at the Holy Family Catholic church at Payette under the direction of Lienkaempers of Nyssa.

Suggestions Offered Fair Exhibitors By County Agent

Want to win a blue ribbon on your produce exhibit at the Malheur county fair?

Leeds Bailey, county extension agent, offers some suggestions which may help in selecting a winner. He lists the following points which land products judges take into consideration in placing an exhibit.

Number one is uniformity in size, color, and general appearance. In placing a class of six peppers, for example, the entry in which peppers are all the same size will place over an entry where the peppers are larger but vary in size. Average size, or slightly above, is large enough.

Other defects that the judges look for include blemishes, insect damage and evidence of disease.

In selecting an exhibit, the extension agent suggests picking several times the required number of fruits or vegetables and then match them, eliminating the produce that doesn't fit the size and type selected.

FOOT INJURED BY MOWER

An injury to his right foot, necessitating the use of crutches, did not prevent Don Courtney, manager of the Nyssa branch of the Bauman Farm Equipment Co., from his managerial duties this week.

The injury was sustained last Friday while demonstrating tractor mower attachments at the Ted Prahm ranch. Sickle guards pierced his foot and sprained the ankle, requiring placing his foot in a cast.

Nyssan Named To State Pari-mutuel Revenues Group

John Stringer, of Nyssa, has been named to the newly organized taxpayer's committee to retain pari-mutuel revenues, according to an announcement by Acting-Chairman Henry W. Collins, of Portland.

Stringer, in accepting the position for Malheur county, said, "Should pari-mutuel revenues be lost it would cost Oregon a total of \$992,812 a year. Malheur county alone would lose next year an estimated \$12,500 in fair money. Our organization feels it cannot afford to lose that revenue."

Executive secretary of the committee is G. Irvin Hess, of Union county.

Other members by county include:

Julian N. McFadden, Benton; Herbert Chandler, Baker; H. H. Chindgren and J. F. Yoerger, Clackamas; John Osborne, Clatsop; E. E. Wist, Columbia; A. L. Powrie, Coos; O. O. Hagedorn, Crook; Kenneth Thompson, Curry; M. A. Lynch, Deschutes; Walter Marrion, Douglas; Pete Pattee, Gilliam; Herman Oliver, Grant; Joe Fine, Harney.

A. W. Peters, Hood River; R. G. Fowler, Jackson; Loyde Luelling, Jefferson; Eliot Wilson, Josephine; Elmer Balsiger, Klamath; C. W. Ogle, Lake; Carl Steen, Lane; W. P. McBee, Lincoln; Dr. J. G. Gill, Linn; Charles Evans, Marion; Stephen Thompson, Morrow; Henry W. Collins and T. B. Wilcox, Multnomah; Ronald Hogg, Polk; Kenneth Fridley, Sherman; John Gienger, Tillamook; Berkeley Davis, Umatilla; Lawrence Rowe, Wallowa; Wilbur Stadelman, Wasco; Oscar Dahlberg, Washington; and Harold Davis, Yamhill.

FLOYD BROWNS RETURN FROM TRIP

Mr. and Mrs. Floyd Brown and daughter, Martha Jean, arrived home Monday from a two weeks' vacation to California. They visited their son, Floyd, at Santa Ana and friends and relatives at Long Beach, San Diego and Los Angeles. They also visited at Tijuana, Mexico. On their way home they came through the Redwood forest.

EAST SIDE MARKET SOLD

Mr. and Mrs. Foy Brown of Apple Valley have purchased the East Side Market from Fred Howe and will take possession immediately.

TB X-ray Unit Will Be Brought to Nyssa

Malheur County Tuberculosis and Health association is making plans for its first survey in four years. It was announced this week by Harold L. (Dusty) Rhodes.

Efforts are being made, Rhodes said, for a 95 per cent coverage of Nyssa and the county area when the TB portable X-ray unit visits here in the near future.

Statistics were not provided to give the local incidence of tuberculosis in the county. On the national level, the figure has been set at 1,200,000 for those having the malady, both in active and inactive states.
