**"I load manure a ton at a time  
with a FARMHAND  
LOADER!"**

**I'VE QUIT SWEATING AND STRAINING!** My Farmhand Loader with full-width Manure Fork takes over a ton at a bite . . . lifts it easily with perfect one-hand control! With other full tractor width attachments I stack and feed hay, plow snow, clear brush . . . do 50 other tough jobs. My Farmhand is better than a crew of men!

### FOR FASTER SPREADING

I team up my Loader with a 6-ton Farmhand "Power-Box" and Spreader attachment. My "Power-Box" does the work of four standard spreaders.
