The Christmas program Thursday evening, presented by the grade school children was enjoyed by a large, appreciative audience. The 150 chairs already obtained were greatly appreciated, but the need for more was felt by those who arrived too late to get a seat. The two plays emphasized the real spirit of Christmas. "What the Christ Fire Hold" under the direction of Ellen Zindars, Mary Dell Walz, and Lucille Palmer, was given

Mr. and Mrs. Bob Welch and family of Caldwell, visited Sunday

by the lower grades, and "Still Shines the Star," was directed by Hazel Ferguson, Marjorie Sager, and Lucille Palmer, and given by students from the fourth grade through the eighth.

Numbers by the band, played before the plays and during intermissions were well received. After the program, gifts were presented Mrs. Dwight Seward for her help with the program, and to Jerry LaCelle by the faculty. The Pearson children surprised their mother by presenting her a gift in honor of her birthday.

School will close Wednesday afternoon for Christmas vacation and the children will return, Monday, Jan. 5. It is hoped that by that time this siege of chicken pox and flu will be over and the students can all be back in school. Wayne Lewis, Robert Reed and Jimmy Wilson all broke out with them over the weekend and will be spending Christmas at home.

The Christmas service at the local Community church Sunday morning was enjoyed by the number attending, and to really bring Christmas close, a surprise snowstorm greeted the congregation as they left the church. Treats were given the children as they left. Choir practice will be Friday evening at 7 instead of Wednesday evening of this week.

Depend on Our **JOHN DEERE** Service for

Quality Service... Economically Done!

No Amount of Magic Substitutes for "KNOW-HOW"

Hokus-pokus or magic wands won't fix tractors and other farm implements. It's "know-how" that gets the job done right.

You can be sure of getting quality service at our shop. Each of our mechanics is experienced in servicing John Deere Tractors and Equipment. But that's not enough! They're required to attend frequent schools where they're taught servicing techniques recommended by the engineers who design John Deere Equipment.

What does this mean to you? Plenty! It means service work on your John Deere Equipment will be done quickly and efficiently. Only the necessary work will be done and it will be done at the lowest possible cost.

Call us for a free service estimate; we'll be glad to talk with you . . . anytime.
