Letters to Editor

Farm Group OK's
Action of Nyssa
City Council

R. I. Nyssa, Oregon
 April 22, 1953
 The Gate City Journal
 Nyssa, Oregon

Gentlemen:
 Enclosed find unanimously passed
 resolution by the Adrian Farm Bur-
 eau in favor of cleaning up the town
 of Nyssa in the interests of clean
 government throughout the county
 and in the interests of a good labor
 program through the efficient op-
 eration of the several labor camps
 throughout the valley. Will you
 kindly print this resolution in the
 next issue of your paper?

Resolved that the members of the
 Adrian Farm Bureau approve the
 clean up program of Nyssa put forth
 by Tom Jones and Council members
 who support him, and ask that Mr.
 Jones be retained as Mayor.

We ask that officers in Nyssa co-
 operate fully with us in promoting
 a good labor program by not both-
 ering laborers that are peaceably
 assembled on the streets of Nyssa.

We do not believe that it is neces-
 sary to support vice in order to
 maintain a high economy in this
 county.

Signed

L. L. Kreager, President
 Louis Pratt, Committeeman
 Henry Reuter, Committeeman
 M. L. Kurtz, Committeeman.

MOBILGAS ECONOMY RUN FLASH!

FORD BEATS ALL IN ECONOMY!

Economy Winner
 4 Years in a Row!

MILEAGE MAKER "6" WINS SWEEPSTAKES!

Score a blazing victory for Ford's dollar-saving gas economy! Ford's
 high-compression Mileage Maker "6" with Overdrive beat every
 car entered in this year's Mobilgas Economy Run, regardless of
 size or weight, to sweep the sweepstakes! Ford's winning average
 was 56.70 ton-miles per gallon. And Ford's high-compression
 110-h.p. Strato-Star V-8 with Overdrive was right up there in
 economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thou-
 sands of other '53 Fords you see on the road every day. This 1,206-
 mile trip from Los Angeles to Sun Valley covered all types of driving
 conditions. The route threaded through city traffic, where stop-
 and-go driving tests an engine's fuel economy under the toughest
 conditions... and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintain-
 ing a speed above the required 44.25 m.p.h. minimum, to finish 1st
 in the sweepstakes! What better proof is there that Ford is the
 thriftiest car of all? What better way to show why Ford is worth
 more when you buy it... worth more when you sell it!

 TON-MILES PER GALLON*

Ford is the first car in its weight class... In the history
 of the Economy Run... to win top honors in ton-miles
 per gallon over all other cars regardless of size or weight.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to
 insure equal chance for all cars in each class regardless of size and weight. Ton-miles
 per gallon equals the car weight (including passengers) in tons, multiplied by number
 of miles traveled, divided by number of gallons of gasoline consumed.
