NOTICE

to the

Patrons and Stockholders

of

Farmers Supply Cooperative

Ontario and Nyssa

At our last regular employees' meeting held Monday, May 4, 1953, we unani-
mously made this proclamation:

"We, the employees, will give our whole-hearted cooperation and support to the Directors of the Farmers Supply Coop and to the new Nyssa Coop Supply Board in any way that the Boards agree to present, the separation of the present Cooperative to the stockholders. We believe that the Nyssa farmers are entitled to their own cooperative.

Also, let it be known that we, as employees of the Farmers Supply Cooperative, do not have a vote in the matter or any jurisdiction as to the separation."

with more great new features than all other makes of cars combined

First....

First 4-Wheel Hydraulic Brakes... revolutionized stopping safety, later adopted by all cars. POWER BRAKES—since 1932, still not available on many makes.

First High-Compression Engine... pioneered far greater drive efficiency. First V-8 with Hemispherical Combustion Chambers—stands alone today in drive power per horsepower.

First Power Steering... introduced new, safer car control that removed the work and strain of driving, still unequalled by imitators.

First Waterproof Ignition... gives owners of Chrysler-type cars a tremendous "wet weather" starting and anti-stalling advantage!

First Safety-Rim Wheels... a new way to keep punctured tires from slipping off the rim; enjoyed only by owners of Chrysler-type cars!

First Fluid Drive... changed America's driving overnight with a revolutionary way to transmit power from engine to rear wheels more smoothly!

again today with the 4

First....

Firepower V-8... revolutionary new-type engine, practical 'til now only in European sports cars and aircraft where cost is no factor. Delivers more "drive" to rear wheels from every drop of gasoline!

Safer, easier driving control... with the first Full-time Power Steering in any passenger car that does all the hard turning and parking work for you—absorbing all "wheel fight" over the rough going, too!

More power for safer, faster stops... big Chrysler Power Brakes (standard equipment) multiply your lightest toe pressure into instantly effective stopping action. New Cyclo-bond linings last far longer!

most remarkable developments of modern times...

America's smoothest ride... with new double-strength shock absorbers. See your dealer for a thrilling Chrysler "Power Ride"...in the car that gives you far more for your money today than any other!
