

Days Gone By in Nyssa Community

From the Journal Files

5 Years Ago—Jan. 8, 1949
Dr. J. R. Cundall, manager of division B, has challenged Glea Billings, manager of division C in the hospital drive to a battle for production during the entire campaign. Dr. Cundall bet his shirt against Billings' shirt and Billings promptly accepted the challenge. — A

total of \$215,275 had been raised in the hospital campaign up to Wednesday of this week. — Hugh Tobler and Lloyd Tobler have announced that they have changed the name of their business from A. Thompson & Son, to Tobler Feed & Seed. — The LDS church, with headquarters at Salt Lake City, subscribed \$2500 towards the hospital campaign fund. — It is reported that a resident of this valley nearly lost his life while on a trip in the mountains near John Day. Overtaken by a severe storm he crawled into a log for protection. After the storm he discovered that the rain had caused the log to shrink so that the hole was not large enough to crawl out. He suddenly remembered he had failed to donate to the hospital fund and felt so small he was able to crawl out of the hole. He rushed back to Nyssa and subscribed for a membership in

the new hospital.
15 Years Ago—Jan. 13, 1944
Mr. and Mrs. Jesse Ford and Edward and Irvin Topliff received the obligation as candidates at the regular meeting of the Oregon Trail Grange. — Ninety three percent of the Nyssa High Student Body participated in the stamp drive, entitling them to fly the Minute Man Flag for the month of January. — Wayne Chesnut, manager of the Inland Oil Co., has leased the Signal service station at third and Main. A hay baling crew allowed a hay derrick boom to swing into an electric power line in the Mitchell Butte section, causing the power in that territory to be off for about 2 hours. The temperature dropped to three degrees below zero, the coldest of the winter.

15 Years Ago—Jan. 5, 1939
Charles Marshall, new county commissioner assumed his official office when he was formally sworn in after the county court had completed its business. — With the Nyssa post office doing a total business of \$12,579.38 during the year 1938, the local office moves up from 3rd to postoffice in the 2nd class. The newly elected city council took over the city government after the retiring council had concluded its regular order of business. Officers were: A. L. Thompson, Mayor; A. L. Fletcher, City Attorney; Leslie McClure, J. C. Olsen, C. W. Buchner and R. J. Whitaker, councilmen.

20 Years Ago—Jan. 11, 1934
Twenty-four applications for old age pensions were acted upon by the county court. Pensions from \$5 to \$20 were allowed, depending upon the income of the applicants. — Roy Harris of Brogan sent word that he had discovered a rattlesnake in that vicinity that was far from dormant. He heard its rattle where he was placer mining. It had crawled out of winter quarters and was taking a sunbath. — More than the usual amount of rain, together with warm weather has made the range look like spring, with stock feeding on green grass. — Ernest M. Hauser, assistant county agent in Klamath Falls county the past 3 years, has been transferred to Malheur county to assist County Agent R. G. Larson. — It was beans for Bernard Frost as he was on the losing side of a safty first attendance contest conducted by the Idaho Power Co. The losers were treated to three kinds of beans, while the winners dined on a turkey banquet.

30 Years Ago—Jan. 11, 1924
Extremely cold weather is general over the state of Oregon. The mercury dropped to 10 degrees below zero. — H. A. Stevens is convinced that gasoline, while it may be all right for running Fords, is not a success as a fire lighter. He tried it out at the Nyssa Packing Co.'s slaughter house, where he was trying to start a fire with green wood, and gave it a liberal dose of what he supposed was coal oil, but wasn't, with the result of an explosion which singed off his whiskers. — The Jinx still pursues the Nyssa Packing Co. They had a \$27 show case ruined this week by a small electric heater.

35 Years Ago—Jan. 10, 1919
A large delegation from Nyssa attended a meeting at Ontario called to discuss irrigation matters of the Owyhee Irrigation project. — A troop train consisting of 13 cars passed through Nyssa bound east. Capt. Walter LaFrenz, son of Mr. and Mrs. G. F. LaFrenz was an officer aboard the ship that conveyed President Wilson to France. Dwight Smith, son of Mr. and Mrs. J. B. Smith, another Nyssa boy was President Wilson's auto driver from Brest to Paris. — When a trainload of cattle arrived at the Nyssa yards from Juntura, it was discovered that 26 head had got down and were trampled to death.

40 Years Ago—Jan. 15, 1914
Wm. Peutz and Ed Myers sold a bunch of beef steers to Mr. Housh. Anybody who can sell beef steers nowadays looks like a magnate to us. — W. B. Hoxie is building a large water wheel which will irrigate 50 acres of land on the Tony Branko place off the Owyhee. — The following officers of Gate City Lodge No. 214 IOOF were installed by Deputy Grand Master Wm. Sexton: Marion Dunn, Noble Grand; Wallace Lynch, vice grand; J. Boydell, treasurer; H. Francis, recording secretary, and R. L. Harris, financial secretary. — E. B. Conklin was elected Master of the Boulevard Grange. — Harvey Otis and Mr. Kingman have a full force hauling and putting up ice. A good many of the older settlers think if we don't get ice put up now we will have to do without ice cream next summer. A 40-mile chinook wind is blowing on the Owyhee, and the ice and snow are going fast.

School Hot Lunch Building Idea Is Proposed

Mrs. J. I. Brady, former Malheur county school teacher, has suggested that the school hot lunch program be re-opened and patterned after a construction project completed in Altamont, Kas. where she recently visited.
Mrs. Brady said that a \$200,000 building for a cafeteria and home-making project was constructed at a total cost of \$75,000. She explained that a building 90 by 100 feet was built with non-union labor paid on a per diem basis and all materials were furnished at wholesale costs.
The Labette county community high school district has an assessed valuation of \$20 million and 5.4 mills are levied for the general fund, 1.8 mills for the building fund and 1.8 mills for transportation, Mrs. Brady said. No figures were available on the amount of the state ad valorem and other state taxes.

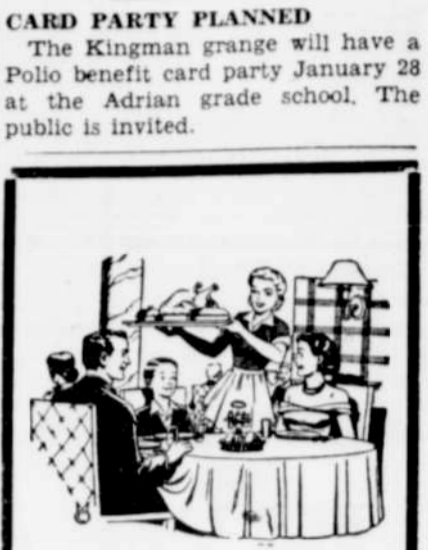

The cafeteria has a seating capacity of 500 and on Dec. 17, when Mrs. Brady was a guest at the school, 487 meals were served in 30 minutes. As of Dec. 11, a fund of \$450 was in the bank, derived from meals selling for 25 cents with milk and free refills.
There are 130 students enrolled in the vocational home-making classes held in the same building.
In addition to purchasing materials for the building at wholesale, refusing to do the work by contract and using non-union labor, the La-

bette county high school did all the engineering, supplied blue prints and took care of the wiring and plumbing, Mrs. Brady said.
Mrs. Brady was graduated from the high school there in 1906 and visited her sisters, the Misses Mary and Kate Bair in rural Cherrylake during the Christmas holidays.

PARENTS OF SON IN PROVO, UTAH
Mr. and Mrs. Donl Peterson of Provo, Utah are parents of a son born January 14 in Provo. Mrs. Peterson is the former Mary Lou Schenk. Grandparents of Mr. and Mrs. Harry Peterson of Lehi, Utah and Mr. and Mrs. John Schenk of Nyssa.

CARD PARTY PLANNED
The Kingman grange will have a Polio benefit card party January 28 at the Adrian grade school. The public is invited.
