

Eleven Seniors Receive Awards In National H. S. Poetry Contest

Nyssa High School Bulldog book is composed of original poems written by seniors in high school. The particular book that the seniors from Nyssa will have their poems published in also has the poems of other senior students from the northwestern states. These states are Oregon, Idaho, Nevada and Washington.

The Anthology book that these students poems will appear in is not available now but it will be out in April.

It is a great honor to have a poem you have written published and all the seniors whose poems were published are to be complimented on their fine work.

Out of the eleven poems chosen to be published three were awarded special mention. Margaret Bates, June Peterson and Lois Wilson were the three girls whose very fine

poems rated special mention in the High School Anthology of Poetry book.

The other eight students whose poems were published are Stanley Bybee, Joann Zinn, Junius Tanner, Kenneth Cottle, Marilyn Lowe, Pauline Russell, Ruth Herriman and Phyllis Cheldelin.

Certificates Awarded

Each student whose poem was chosen to be published was awarded a certificate. The three girls who received special mention were awarded certificates with the words "Special Mention" printed on the lower left hand corner.

Bulldogs Down Vale In Conference Game

Nyssa High School Bulldog The Vale Vikings fell to the Nyssa Bulldogs in a fast, tight game played on the Nyssa floor January 15.

The first quarter of play was close and low scoring. The Bulldogs were in the lead 12 to 10 at the end of the first quarter. The second period found the Vikings fighting harder to get a lead over the fast moving Nyssa team. They managed a 25 to 22 lead over the Bulldogs at the end of the first half. The third period was the tightest of all. The Bulldogs were determined to close that gap in the score and at the end of the third period they had only one point to go.

The score at the end of the third period was 31 to 30 in favor of the Viking squad. In the fourth quarter the Bulldogs fought harder than ever to win over the visiting Vikings. In the last minutes of play the Bulldogs had a three point lead over the Vale gang and were fighting to hold that lead. The Viking squad got a foul shot and that only left a two point gap in the score. The Bulldogs stalled the remainder of the period and came out on top 42 to 40. Bumgarner was high point man for the Bulldogs with a total of 17 points. Smith was high man for the Vikings with 16 points.

Bumgarner	7	3	17	5

Junior High Sports

Nyssa High School Bulldog

The fortunes of our basketball teams rises and falls just like the tide. On January 8th the Flyers journeyed to Ontario and both of our teams were defeated by about the same score. The score of the Eighth Grade game was 28 to 19 and the score of the Seventh Grade was 26 to 16.

In the games with Adrian played the week before our boys were victorious. The Eighth Grade winning by a score of 34 to 14 and the Seventh Grade by a score of 41 to 12.

In the Ontario game our Eighth Grade got off to a flying start and had four points before Ontario scored. Then the Ontario boys began to score heavily and got twenty-one points while we were getting eight more points. Halftime score was twelve to twenty-one.

During the second half both teams scored only seven points with many substitutions being made by both Coaches.

These Nyssa boys that saw action in the game were the starters: Dennis Savage, Kent Lovejoy, Gary Chesnut, Licyd Montoya and Monty Burbank and substitutes: Jim Bergam, Gale Coleman, John Messick, Jim Settles and John Marsh.

The quarter scores of the Seventh Grade game were, first quarter-4 all, second quarter-7 to 13, third quarter-11 to 21 and final score-11 to 21.

Boys that played in this game were LeRoy Morris, Leo Gallegos, Henry Phillips, Dwight Hunter, Ron Rookstool, Gary Toombs, Jerry Myrick and Clark Jaques.

All the boys on the basketball squad came back from Ontario telling us how large the Ontario players were. Someone suggested that perhaps Coach Lovejoy should start feeding Nyssa's future Bulldogs generous rations of Grow Pup. Someone else said, "It's going to take a lot of Grow Pup."

From where I sit... by Joe Marsh
Open Even When He's Closed
Must have been daydreaming on my way to a meeting down in Centerville the other night. My car ran dry before I thought to look at the gas gauge, but I managed to coast into a gas station—and found it closed!
Well, I thought my plans were ruined for sure until I noticed a gasoline can with a sign: "This is emergency gas. Just help yourself and leave the can with \$1.00. Thanks."
Got started, made the meeting on time, and had enough gas to get back home again—thanks to a trusting friend.
From where I sit, folks who trust their neighbors make the world a better place to live in. For instance, letting a friend express his personal preferences, is one way of trusting your neighbor. Sometimes I prefer a temperate glass of beer in the evening but I'll always ask what you'd like before I pour yours.
