CERESAN® Treatment
is the Best Way to get
Better Stands of WHEAT

Don't take chances on a poor crop of wheat. No matter how bad the weather is at planting time, you can be sure that your seed will germinate better and produce a higher, cleaner yield of wheat when it's treated with Du Pont "Ceresan" seed disinfectant and protectant. Here's why:

- "CERESAN" CHECKS seed decay, blight, stinking smut and other diseases.
- EFFECTIVE PROTECTION always, even under the worst growing conditions.

EQUALLY EFFECTIVE for oats, barley, rye, millets and flax. For prompt, economical and effective treating service LET US TREAT YOUR SEED WITH "CERESAN"
