From the Journal Files

#### 10 Years Ago—May 18, 1944

Installation of a new pump in Nyssa No. 1 well was completed this week and placed in use. The new pump will eliminate the use of the settling tank and the use of two pumps giving the city purer water and saving 17-horse power. — Many trees were uprooted and electric service was put out of commission by a severe windstorm that struck this area Sunday night. — The fifth annual commencement was held at Adrian union high school for 31 graduates. — Gerald Markee of Baker was elected principal of the Adrian Union high school. At a meeting of the Malheur county fair board, it was decided to again hold a junior fair and rodeo on August 26, 27 and 28. Members of the fair board are Alva Goodell, president; William Ross and D. E. Brooke, secretary.

#### 15 Years Ago—May 18, 1939

Although a difference of opinion as to location seems to exist, of one thing all of the civic groups in the city are united in one thing, and that is, that Nyssa is in need of a city park. — The Morgan Park Garden club will hold an all day gathering at the park, May 20, in order to clear off the sage brush. — The Nyssa Bulldogs were the champions of the SRV League. Word was received here by Postmaster Goshert from Washington, D. C. that formal approval has been given the extension of rural mail route 1. — Everybody in Cow Hollow is having trouble trying to irrigate this year. The ground is so dry that it takes so much water to wet up the ground and the mice were so thick last winter they have the ground especially the ditch banks all full of holes. — Some of the farmers in Cow Hollow are getting ponds built for next winter's stock water. Elza Niccum has the largest one. It is 12-feet deep and will cover about 1-acre of ground. — Roy Pounds leads the fishermen of Nyssa and surrounding community with the largest trout entered in the contest sponsored by Wary's Dime store. Pound's trout weighed 3½ pounds.

#### 20 Years Ago—May 17, 1934

To Doc Pullen, farmer on the Owyhee, goes the distinction of digging and dining on the first new potatoes of the season. — The high school student body elected Fred Spencer, president; Leonard Nichols, secretary. — The Rocky Valley Service camp located in Succor creek canyon 35 miles from Nyssa has just received an order for 2 truck loads of rocks, one to consist of petrified wood. These will be shipped to California where they will be used to beautify rock gardens. — The arrival of 300 new chairs for the gymnasium and the completion of the spacious stage, will make it possible for the 1934 graduates to hold commencement exercises in the gym on May 24. A record crowd made merry at the annual Owyhee Days convention celebration of Nyssa Commercial club held in this city last week-end. — Bud Anderson came in from the mountains seriously injured when he was thrown from a horse. — Freak accidents have eliminated two baseball players from the Nyssa team in the Idaho-Oregon league. Tom Burton, pitcher had the bone of his little finger split and fractured at the joint and Art Servoss snared a ball in the mouth.

#### 25 Years Ago—May 17, 1929

The 1400-foot gravity ditch, running west from the pressure pumping plant to the city park, has been finished and water is now irrigating the trees. — Roy

C. Pounds sold his barber shop on Main street to Jack Kolberg of Harper. — Ownership of the Old Malheur County Bank building, was acquired by the Owyhee Irrigation District. — Fourteen members of the Nyssa high school graduating class received diplomas presented by S. D. Gossett. A diversion dam with a cement core about 7-feet high and 30-feet long was completed after several weeks of labor by P. M. Warren and George Adams on the Adams farm about 6 miles southwest of Nyssa. The problem of having sufficient water in storage to irrigate their farms during the mid-season has at last been solved by Adams and Warren. The lake will be stocked with fish.

#### 30 Years Ago—May 16, 1924

A bad break in the Owyhee ditch at Locket gulch was reported this week, necessitating the turning out of the water for a few days. — Pumping will begin soon from the wells of the Vale Salt Company, located 9 miles north of Vale. At the boring of the test hole an abundance of water was produced which tested out under chemical analysis of 8 1/8 ounces of salt to the gallon, or almost ½ pound to every gallon of water. Vats are filled with salt water for evaporation. — Juanita Bigelow, Annette Blodgett, Paul Crocker, Myrtle Fielda, Gladys Garrison, Mary Matheny, Grace Reberger and Frank Reberger are members of the Nyssa high school class who will graduate this year. Commencement will be held at the Liberty theater. Class colors are green and white and class flower white carnations. Nyssa's newest business is the Rosebud restaurant and ice cream parlor.

#### 35 Years Ago—May 16, 1919

Voters of Nyssa and surrounding community will vote on the appropriation of funds for the John Day highway which starts at the bridge east of Nyssa. — M. H. Bostic cast his line in the Snake river at the mouth of the Owyhee and immediately pulled out a sturgeon about 5½ feet long weighing 100 pounds. — McGinnis, arrived this week from Camp Lewis, where he received his discharge from the army. He was in six battles and saw many of the pitiful sights of Europe. — A notice to war veterans that there will be on July 4, be formed a great war veterans association, the meeting to be held in Vale. — Troy Cathy left with a shipment of 10 carloads of cattle for the Kansas City market.

#### 40 Years Ago—May 14, 1914

A large force of men will be put to work on the two railroad bridges it was reported. — Eight families from Canada arrived in Malheur county and purchased ranches or filed on homesteads. — Just to be up-to-date, N. H. Hon, the liveryman, bought an elegant automobile. It is a 23 h. p. 5-passenger Studebaker and is the latest word in automobile excellence. He will use it in livery service. — The Nichols Comedy Co; a troupe of entertainers on the road, billed for Wednesday night, was canceled at the opera house by Manager Blodgett when the lights went out. — The shortest runaway on record took place in Nyssa when a team driven by Ralph McNea bolted from the yard back of the Journal office and crashed into a telephone pole. — Seymour Ross, road supervisor, with his crew, has just completed a bridge across the Owyhee ditch at the G. G. Brown farm.

Sharp Freezing is Important and Necessary. All commercially packed frozen foods are frozen at very low temperatures usually 40 degrees or colder so that the product when it thaws retains the maximum of original taste, flavor and juices. The only way to make sure all of the food you freeze will taste right, and retain its original bloom and juices, it to have it Sharp frozen at your locker plant.

9 times out of 10, frozen meat is better. First we age your beef so it becomes more tender naturally. Next, recent scientific tests prove that frozen beef is more tender than that of the same quality which hasn't been frozen.

Your for better eating,  
Jake
