*This season's brides***ARE EXTRA LUCKY!**

Newlyweds are getting luckier all the time! In their mother's time, establishing a home meant the beginning of tedious housework. Electrical servants were few and far between.

Look back to washday, for example. A day over a hot tub sudsing and scrubbing wasn't conducive to soft hands and a cheerful disposition. But along came automatic electric washers and dryers. Now washday in the old sense of the word is gone forever.

This year's bride can look forward with pleasure to her personal staff of electrical servants.

They'll make her household chores so much easier—get them done in record time! Happiest of all, with Idaho Power's low electric rates, she can have all the electrical help she wants—for only a few pennies a day.

P.S. IF YOU'RE A JUNE BRIDE ON YOUR LIST, give something electrical. There are electrical gifts in every price bracket, handsome, practical, so wonderful to own. See your dealer.

Electricity Does So MUCH Costs So LITTLE!**UNION PACIFIC Travelgram****Vacation travel at its finest!**

- All fun** On a luxurious Union Pacific Streamliner or other fine train you enjoy the utmost in restful travel pleasure. Both to and from your favorite vacation spot, you'll enjoy a carefree extra vacation when you go Union Pacific. Your fun begins the moment you step aboard!

You'll appreciate "room-to-room" and being able to decide for yourself whether you want to enjoy pleasant companionship in the lounge or relax in the privacy of your own spacious accommodations.
- Delicious meals** You'll be delighted with your trips to the dining car. Fine, fresh foods of your own choice ... painstaking chefs ... friendly stewards and attentive waiters add so much to the enjoyment of your journey. Picture this typical menu treat for June -- broiled lamb chops ... tender, thick, sizzling and juicy!
- Eye-level scenery** You'll be thrilled at the sight of America's sublime scenery, seen at eye level through broad picture windows.
- Arrive refreshed** No question about where you're going to sleep when you travel Union Pacific. You choose your accommodations in advance -- economical reclining seat Coaches or private, modern Pullman accommodations. And you arrive rested and refreshed -- ready to enjoy your vacation to the fullest.
- Need a car?** If a car is needed for sightseeing or visiting friends, your Union Pacific ticket agent will be glad to arrange for a fine, new Hertz Drive-Yourself car to meet you on arrival. It's convenient, saves wear and tear on your own car, and is surprisingly economical.
- Take the family** Union Pacific's popular Family Fare Travel Plan, good on all trains, in both Pullmans and Coaches, is now better than ever. On one way trips, children 5 and under 12 pay only one-fourth the regular one way fare, and Mom and all children from 12 to 21 inclusive ride for half-fare. Children under 5 ride free and Dad, of course, pays the full one-way fare. Rates for the return trip are the same, except that now the head of the family travels on the regular round trip fare, instead of double the one way fare, as before ... thus affording greater savings in family travel costs. The family group boards the train any Monday, Tuesday or Wednesday, and may return on any day of the week. The head of the family may also, if he so elects, return on any day independent of the family through exchange of tickets.
- Reservations** For reservations, further details, or for help with your travel plans, see your nearest Union Pacific Railroad ticket agent.
