Your child wants one of the prize bicycles or he or she would not have entered this campaign.

By helping your child win one of these prize bicycles you save the actual money it would cost to get a bicycle for him or her.

Even if you can well afford to buy a bicycle your boy or girl will derive lots of pleasure from the one he or she has won, plus the additional thrill of a real accomplishment.

Plus the New Prize of

NOW IS THE TIME

to start an active campaign in earnest. What any candidate has up to this time has no bearing whatever on this second new Cash Prize campaign. It is only for the last week of the campaign, starting Saturday.

Another New Subscription Campaign With \$10 Cash Prize Is Announced

NOTES ON SECOND NEW \$10 CAMPAIGN

The new \$10 prize campaign announced today is the second \$10 cash prize campaign. The first \$10 cash prize campaign ended last Wednesday and was for NEW subscriptions only. The second new \$10 cash prize campaign is for new and renewal subscriptions.

All subscriptions each candidate hands in from Saturday morning of this week to and including Saturday night of next week, will count votes on the original prizes and points on the NEW campaign.

In the event of a tie in the NEW \$10 cash prize campaign, a prize identical in value will be given each tying candidate.

Everybody will win in this second New \$10 cash prize campaign as all subscriptions turned in during the time of the NEW \$10 campaign will count votes toward the original prizes. In the original prize campaign only as many active candidates are allowed to be active as there are prizes, and each active candidate will receive a prize bicycle or cash commission for the work he or she does in this campaign.

All prize winners will be announced and all prizes will be awarded by the judges when they make the final count of votes on the last night of the campaign.

What subscribers any candidate has secured before this time will have absolutely no bearing on the second new \$10 cash prize campaign. Only those subscriptions secured and turned in between Saturday morning of this week and Saturday night of next week (the last night of the campaign) will count in this new campaign.

And now there is another \$10 cash prize—now win it! It will mean \$10 spending money for the winner.

Please help us, candidates, by marking your subscriptions correctly as either OLD or NEW. If a person is now getting the paper he is an OLD subscriber and remains as OLD even if he changes the name or address on the paper. A NEW subscription is one that adds another name to our list.

Candidates receive full credit for all payments on subscriptions.

For Just the Last 8 Days

Just for securing the most points on subscriptions, either old or new, during the last 8 days of the subscription campaign.

It's for YOU!

NOTE—This \$10 Prize campaign is a new campaign and only those candidates entered in the original campaign for the prize bicycles and the cash commissions are eligible to compete in the new \$10 prize campaign.

The New Prize of \$10 in Cash

will be given to the candidate among the present active candidates securing the most points on new or old subscriptions between Saturday morning of this week and Saturday night of next week, the closing night of the entire campaign.

Start now. Take advantage of the highest point schedule.

YOUR OPPORTUNITY

(Copyright 1954 by J. D. Stack)

WHAT IT MEANS

You can win the \$10 CASH PRIZE in the new campaign and, at the same time and with the same subscriptions, enhance your opportunity of winning the most valuable prize in the original list of prize bicycles and cash commissions.

Each is a separate competition and all subscriptions secured and turned in between Saturday morning of this week, and Saturday night of next week, will count votes toward the original bicycle prizes and points in the new \$10 CASH PRIZE campaign. Every one wins, as all subscriptions turned in during the new \$10 campaign will count votes in the original bicycle and cash commission campaign.

ALL START ON AN EQUAL BASIS
Saturday Morning
IN THE NEW \$10 CAMPAIGN

CAMPAIGN NOTES

Unless the city entries do their utmost they are going to see the majority of the prize bicycles carried off by the country candidates. The out-of-town list includes some fine workers and excellent subscription producers.

If your name appears in the list of candidates published today you are considered as an active candidate and eligible to share in the list of prizes and commissions if you only report this Saturday and Wednesday and Saturday of next week, with at least two subscriptions each time.

Don't fail to see each and every person who promised you a subscription for Friday or Saturday.

Some have threatened it, but so far no one has done it. That is, cover their area thoroughly, going up one street or road and down the other, calling at every home. You will be surprised at the good results you will secure by doing this.

You should now check back on all those who promised you a subscription or said "maybe" they would pay you later. Many of these people have been holding their payment for a certain candidate but will soon pay it to someone else if the one to whom they promised it does not call back.
