

Malheur District Garden Club Has Meeting Here; Adopt Seeds Project, Promotion For Better Tree Planting

The Malheur district garden club meeting was held Saturday at the Methodist church with Mrs. George Schweizer, president, The Rev. Vernon Taylor gave the invocation.

Mrs. Ray Wilson of Parma, a member of the host ANK Garden club extended a welcome to guests and Mrs. Virgil Staples of Ontario, responded.

Mrs. M. L. Judd introduced the guest of honor, Miss Clare Hanley, of Medford, president of the state federation of Garden clubs. Mrs. Don Wood of Vale introduced the following local president: Mrs. P. J. Gallagher, Ontario, reported for Mrs. Al Andrews; Mrs. Fred Zimmerman, Vale and Mrs. Ray Wilson of Parma for the ANK of Nyssa. Mrs. Elton McCormick was acting secretary.

Mrs. Basil Hutchinson accompanied the group singing and played background music during the luncheon.

During the morning business meeting, the group voted to adopt "Seeds For Democracy" as a project of sending seeds to needy places throughout the world.

A second project adopted was to promote better planting of trees along the highways to avoid butchering trees as right-of-ways are widened. The committee for these projects composed of Mrs. M. L. Judd, chairman, Mrs. Ray Wilson, Mrs. George Glenn and Mrs. Glenn High of Vale, Mrs. Theo Moore and M. E. Bain of Ontario.

At noon, a luncheon was served by Job's Daughters at the Masonic hall. The tables were beautifully appointed to represent the four seasons.

Following the luncheon, Mes-

sames Gerrit Stam, Tom Nishitani, Jess Baker and Sina Conner amused the group by depicting the club setting up their fair booth.

Mrs. Ray Wilson presided at the afternoon meeting. A prayer poem was given by Mrs. Elton McCormick. Mrs. Louie Attebery presented two piano solos.

Miss Hanley gave a helpful talk of better gardening and told of the club's state scholarship loan fund. She told of the group's work in the "Litterbug Campaign", reminding members that it costs the state \$14.11 per mile per year to clean the litter from the roadsides.

Miss Hanley told of the part Garden therapy is playing at Veterans hospitals, homes for the aged and at girls industrial schools.

Mrs. Tom Nishitani sang two vocal solos accompanied by Mrs. Louie Attebery.

Mrs. Clyde Snider, who just recently returned from an Eastern trip, told of the Shaw gardens in St. Louis, which have been given to the National Federation of Garden clubs for new headquarters. Nine blocks of this garden are in the heart of the city and include glass enclosed houses high enough to enclose species trees. The finest collection of water lilies in the world and other collections as well as a 160 acre arboretum on the edge of the city make up the gardens.

Coming Events—

Oct. 21 — American Legion auxiliary meeting, 8 p. m., Veterans hall.

Oct. 25 — WSCS Observance of week of prayer and self denial, home of Mrs. Carlos Buchner, 2 p. m.

Sen. Wayne Morse To Visit Area

Sen. Wayne Morse (Ore-Ind.) will be present in Malheur County on Monday, Oct. 25, announced T. G. Jones, chairman of the county Democratic central committee. Morse, Jones said, will be in Ontario for the one day.

He will meet with the Ontario Chamber of Commerce at noon; a no-host dinner will be held in the Moore Hotel at 7 p. m. and he will speak at an open meeting at 8:15 p. m. in the Boulevard Grange hall. Jones said his speech would be broadcast.

All plans and details of the visit, Jones said, were made last Thursday evening at a meeting of the committee. The committee passed a resolution, Jones added, that the county clerk be asked to hold a school of instruction for judges of election prior to the general election on Nov. 2.

School Children Get Audio Tests By Health Board

Miss Jean Goodman, audiometrist from the state board of health, spent Tuesday, Wednesday and Thursday of last week testing the hearing of children of the Nyssa schools. This work is done as a regular part of the hearing conservation program set up by the board of health and follows a three year cycle planned to give each school the best possible service.

The program's general pattern is explained with tests at Nyssa used as an example. Last year all children in the elementary school and junior high were tested as were any students of the high school who were thought to have difficulty.

This year all first grade children, plus any children referred from last year who were found to have hearing difficulties, were tested again and retests will be given all children who are believed to have difficulty. This test will not cover as large a number as were tested this year because during the third year, the children will receive tests only after they have been referred by the nurse or special education teacher.

At the beginning of the fourth year, the entire cycle will start again for all children.

141 Are Tested
In last week's tests, 141 first graders were checked and eight were found to have some difficulty and will need medical attention. Four were found to have a slight loss of hearing which will merit a retest next year.

In addition to the first graders tested, 61 children were referred from last year's tests, but 19 of that number had moved from the Nyssa district. Of the remaining 42 retested, 16 were found to have regained normal hearing, 11 were the same as last year and six showed increased hearing loss. Five of these six received no medical care.

Following last year's test every child who had hearing difficulty received follow up attention consisting of personal contacts with parents, and, whenever possible, arrangements for medical care.

The follow up work is done by Mrs. Edna Farris, Malheur county public health nurse, and Mrs. Josephine Rigney, special education teacher in the Nyssa schools.

Mr. and Mrs. S. P. Bybee spent Saturday in Boise.

Grapefruit Butters Up To Broiler

Hot desserts needn't be rich—as witness these luscious broiled Florida grapefruit halves! They hit the spot cool fall nights, and furnish vitamin C, so necessary to ward off colds and fatigue. Fresh Florida grapefruit is in good supply now, and for months to come.

To Prepare Grapefruit Halves:
Cut fruit in half; remove core if desired. Cut around each section, loosening fruit from membrane. Do not cut around entire outer edge of fruit.

To Broil Grapefruit:
Sprinkle each half with 1 tablespoon sugar and a dash of cinnamon, mace or nutmeg, if desired; dot with 1 teaspoon butter. Place grapefruit on broiler rack 3 inches from heat. Broil slowly 15 to 20 minutes until grapefruit is slightly brown and cooked through. Grapefruit may also be broiled in a moderately hot oven (300° F.) 15 to 20 minutes. Serve hot.

Emil Stunz Gives Views On Issues

"Now I am utterly opposed to any state sales tax," declared Emil Stunz Wednesday night at a meeting of the Nyssa Chamber of Commerce and Oregon Trail Grange.

"Furthermore, I like the federal plan for reapportionment," he added.

Stunz, a candidate for the state legislature from Malheur county, was the principal speaker at the banquet meeting Master of ceremonies for the affair was Leonard Hewitt, president of the chamber of commerce. Tom Jones introduced the speaker.

More than 200 attended the rarefied dinner, held at the Oregon Trail hall.

"We will have to work together," Stunz stated, "in getting the proper reapportionment and representation. But we can do it: By working together we got the fine schools and the fine hospital we now have."

The dinner was prepared and served by the Oregon Trail Home Economics club members.

"Red" Herren Dies In California

Harrison M. "Red" Herren, 66, a former long-time Nyssa resident, died recently at his home in Martinez, Calif. where he had resided for the last four years. He died following a lengthy illness.

Herren operated the Sweet Shop in Nyssa for many years. In Martinez he had been employed at Benicia Arsenal. He was a member of the Church of Christ in Martinez and the Fraternal Order of Eagles in Nyssa.

Funeral services and interment were held in Martinez.

Among the survivors are his widow, Irene Herren; five daughters, Mrs. Velda Dunivan of Martinez, Mrs. Lola DeCarlo of Long Beach, Calif.; Mrs. Lois Secrest of Wichita, Kan.; Mrs. Peggy Dunlay of Enterprise, Ore.; and Mrs. Teresa Anderson of Nyssa; three sons, Herschel Herren of Florence, Colo.; Harold Herren stationed with the armed forces in Nyssa; a sister in Minnesota, Mrs. Fanny Hill; a brother, George Herren, Syracuse, Kan.; two stepchildren; 23 grandchildren and three great-grandchildren.

Pastor Calls On Nyssa to Observe U.N. Day Sunday

United Nations day is being observed Sunday in Nyssa, as it is throughout the United States, with the public being asked to consider this world-wide organization and its accomplishments, according to the Rev. Carl H. Gross, Nyssa chairman and pastor of the St. Paul's Episcopal church.

He stated that local business firms are cooperating in helping call attention to the special day by agreeing to display posters in their stores. The purpose to which the nations pledged collective effort when the charter was signed were peace, security, human rights, law and freedom.

The Rev. Gross called attention to the fact that in addition to political problems, the U. N. settles many educational and economic problems that dispel fear, hunger and ignorance. "It is hard work, but as long as there is hope of bringing the nations together, it is worthwhile," the chairman said.

NO CRIME WAVE

Records of the Nyssa police show a quiet month so far.

Only nine arrests have been put on the police blotter. Of the arrests three were for disorderly conduct, two were for violation of basic rules, two for parking violations, and one each for shoplifting and no operator's license.

Utah Senator At Meetings in Nyssa

U. S. Sen. Wallace F. Bennett, Utah Republican, appeared in Nyssa Wednesday evening to discuss the Eisenhower administration's farm policy and give local sugar beet growers detailed information about sugar quotas.

The meeting was held at the Little Theater under the auspices of the Malheur county Republican central committee.

Plans Completed For Food Drive For MM Hospital

The annual food drive for the Malheur Memorial hospital will be conducted Saturday beginning at 9 a. m. Hospital auxiliary members have organized a corps of workers, including Boy and Girl Scouts and several pick-ups to make a comprehensive door-to-door canvass of the city.

Residents are urged to leave their contributions of canned foods, either home or commercially processed, on their front steps for convenience in the collection. Mrs. Houston Wilson, chairman of this year's drive which is sponsored annually by the hospital auxiliary, has requested.

A freezer will be connected at the Owyhee Truck and Implement Co. Thursday through Saturday for deposit of any frozen goods to be contributed. Presidents of women's clubs throughout the rural area have cooperated in a drive for food stuffs from residents living outside the Nyssa city limits.

Each year several hundred quarts of fruits and vegetables, jams, jellies and preserves in addition to quantities of fresh garden produce are obtained through this annual food drive for use at the hospital.

Assisting Mrs. Wilson on the committee in charge of the drive are Mrs. Dale Garrison and Mrs. Earl Hollingsworth.

CARD OF THANKS

We wish to express our sincere appreciation for flowers, cards and letters received and other kindnesses shown during the illness and at the time of the death of our husband and father, H. M. Herren.

Mrs. Irene Herren, Mrs. Velda Dunivan and family, Mrs. Lola Belle De Carlo and family, Mrs. Lois Secrest and family, Mrs. Teresa Anderson and family, Mrs. Peggy Dunlap and family, Herschel Herren, Harold Herren and family and Donald Herren and family.
